When Collector considers measures should be taken to protect a railway he shall cause plans and estimates of the necessary measures to be prepared.

4. Whenever it shall appear necessary to the Collector that measures should be taken in respect of any irrigation-work for the protection of any railway, he shall cause to be prepared plans and estimates specifying the measures which, having regard to the safety of the railway and the interests of the landholders, tenants and other persons concerned, he may think necessary, and he shall also record a statement showing with reasons how far, in his opinion, the landholder in possession of, or having control over, the said works is liable to contribute towards the expenses to be incurred in carrying out the said measures. Such statement shall contain—

Collector may cancel or modify the order.

7. If the order is not cancelled by the Collector, he shall by a written notice call upon the landholder so named as aforesaid to carry out, within a reasonable time to be named in the notice, the measures specified in the order as originally issued or modified, as the case may be. (3) If the district court holds the consideration for the lease to be inadequate, it shall determine the amount of additional consideration to be paid by the lessee.

Definitions.

2. In this Act unless there is something repugnant in the subject or context :

“Alienation.”

(1) “Alienation” includes a temporary transfer such as a mortgage or a lease.

“Impartible estate.”

(2) “Impartible estate” means an estate descendible to a single heir and subject to the other incidents of impartible estates in Southern India.

“Proprietor of an impartible estate.”

(3) “Proprietor of an impartible estate” means the person entitled to possession thereof as single heir under the special custom of the family or locality in which the estate is situated or if there be no such family or local custom under the general custom regulating the succession to impartible estates in Southern India.

Estates deemed impartible. Restriction on alienations of impartible estates.

3. The estates included in the Schedule shall be deemed to be impartible estates.

4. (1) The proprietor of an impartible estate shall be incapable of alienating or binding by his debts, such estate or any part thereof beyond his own lifetime unless the alienation shall be made, or the debt incurred, under circumstances which would entitle the managing member of a joint Hindu family, not being the father or grandfather of the other coparceners, to make an alienation of the joint property, or incur a debt, binding on the shares of the other coparceners independently of their consent.

Permissible alienations.

(2) In particular and without prejudice to the generality of the foregoing provisions, the proprietor of an impartible estate is hereby expressly authorised—

- (a) to grant sites for public charitable and public religious institutions ;
- (b) to grant mining or quarrying leases for terms not exceeding sixty years and leases of the pannai or home farm lands for terms not exceeding fifteen years, provided that every such lease—

- (i) shall be by registered deed and shall be made to take effect in possession not later than twelve months after its date ;
- (ii) shall reserve the best rent that can reasonably be obtained, regard being had to any money laid out or to be laid out by the lessee for the benefit of the estate, but not to any fine or premium paid or to be paid in consideration of granting such lease ;
- (iii) shall contain a covenant by the lessee for payment of rent and a condition of re-entry on the rent not being paid within a time therein specified not exceeding three months ;
- (iv) if a mining or quarrying lease, may make the rent ascertainable by or to vary according to the acreage worked, or by or according to the quantities of any mineral or substance gotten, made merchantable, converted, carried away, or disposed of in or from such estate, or any other land, or by or according to any facilities given in that behalf, and may reserve a fixed or minimum rent with or without power for the lessee, in case the rent according to acreage or quantity in any specified period does not produce an amount

equal to the fixed or minimum rent, to make up the deficiency in any subsequent specified period, free of rent other than the fixed or minimum rent.

(3) Nothing in this section shall be construed to restrict the power of the owner of an impartible estate to provide for the succession thereto in default of heirs. Exception.

5. When the proprietor of an impartible estate proposes to grant any such lease as specified in section 4, sub-section (2), clause (b), it shall be lawful for such proprietor or the intending lessee to submit a draft of the proposed lease to the Board of Revenue for approval, and the Board, if satisfied after making such inquiry and giving such notices as it thinks fit, that the terms of such draft lease are in accordance with the provisions of this Act, may approve thereof and affix its seal thereto in token of approval; and if the proprietor shall thereafter execute the lease in the terms of the draft lease so approved and sealed, such lease shall be deemed to have been duly granted in accordance with the provisions of this Act. Procedure in regard to grant of certain leases.

6. Notwithstanding anything hereinbefore contained, the proprietor of an impartible estate shall be incapable of alienating, or binding by his debts such estate or any part thereof beyond his own lifetime for the payment of land-revenue due to Government, unless he shall have first obtained the consent in writing of the Collector of the district in which the estate is situated. Such consent shall not be refused unless in the opinion of the Collector the case is one in which the land-revenue due to Government may be realised by management of the estate under the provisions of the Madras Revenue Recovery Act, 1864.¹ Conditions of alienations of impartible estates for payment of land revenue due to Government.

Mad. Act
II of 1864.

7. This Act shall not affect alienations made or debts incurred before the coming into force of this Act, and shall cease to apply to estates or parts of estates which may hereafter be lawfully alienated otherwise than by temporary transfer. Saving clause.

8. (1) In computing the period of limitation applicable to suits and legal proceedings other than suits stayed and to appeals barred by the Madras Impartible Estates Act, 1902, the period during which such suits, proceedings or appeals were stayed or barred by the said Act shall be excluded, and all such suits, proceedings and appeals shall be deemed to have been actively prosecuted during such period within the meaning of section 52 of the Transfer of Property Act, 1882.² Computation of period of limitation.

Mad. Act
II of 1902.

IV of 1882.

(2) If in any suit, proceeding or appeal permitted to proceed by the Madras Impartible Estates Act Continuance Act, 1903, it be finally decided that any estate named in the Schedule attached to this Act is partible, such estate shall be deemed not to have been mentioned in the Schedule. Exclusion of estates declared partible.

5. (1) The rent of ryoti land, together with any interest which may be due in respect thereof, shall be a first charge upon the holding and upon the produce of the holding or any part thereof, provided that, if gathered, the produce is in the custody or possession of the ryot or deposited on the holding or on a threshing floor or place for treading out grain, or the like, whether in the fields or within the homestead.

(2) Nothing in this section shall be deemed to affect any right of the Government.

Occupancy right in ryoti land.

6. (1) Subject to the provisions of this Act, every ryot now in possession or who shall hereafter be admitted by a landholder to possession of ryoti land not being old waste situated in the estate of such landholder shall have a permanent right of occupancy in his holding; but nothing contained in this sub-section shall affect any permanent right of occupancy that may have been acquired in land which was old waste before the commencement of this Act.

[“*Explanation.*—For the purpose of this sub-section, the expression ‘every ryot now in possession’ shall include every person who, having held land as a ryot, continues in possession of such land at the commencement of this Act.”]

(2) Where land held by a ryot with a permanent right of occupancy is surrendered or abandoned or, save in the cases falling within sub-section (4) of section 8, and the exception to section 8, comes into the possession of the landholder, and the landholder admits any person to possession of the same within a period of ten years from the date of the surrender, abandonment or coming into possession, the person so admitted shall have a permanent right of occupancy therein.

Explanation.—Every landholder who shall have received or recovered any payment under section 45 from any person occupying ryoti land other than old waste shall be deemed to have thereby admitted such person to possession unless within two years from the date of receipt or recovery of payment or the first of such payments if more than one he shall file a suit before the Collector for ejectment against such person.

(4) Admission to waste land under a contract for the pasturage of cattle and admission to land reserved *bonâ fide* by a landholder for forest under a contract for the temporary cultivation thereof with agricultural crops shall not by itself confer upon the person so admitted a permanent right of occupancy ¹[or entitle him to the benefit of section 157; nor shall such land, by reason only of such letting and use for pasturage or temporary cultivation, become ryoti land.]

(5) When a landholder has reclaimed waste land by his own servants or hired labour he may by contract in writing prevent any person from acquiring a permanent right of occupancy in respect of the said land during a period of thirty years from the date of the first cultivation after reclamation.

(6) A person holding land as an ijaradar or farmer of the rent shall not while so holding, acquire otherwise than by inheritance or devise a right of occupancy in any land comprised in the ijara or farm.

8. (3) The merger of the occupancy right under sub-sections (1) and (2) shall not have the effect of converting ryoti land into private land.

(4) In cases where the interest of the ryot in the holding has passed to the landholder by transfer for valuable consideration before the passing of this

In cases where such interest passes to the landholder by inheritance after the passing of this Act, the landholder shall have the same right for a period of twelve years from the date of succession.

Exception.—Notwithstanding anything contained in this section where, before or after the commencement of this Act, the kudivaram interest in any land comprised in an estate falling within clause (d) of sub-section (2) of section 3 has been or is acquired by the inamdar, such land shall cease to be part of the estate.

Right of occupancy ryot to make an improvement.

13. (1) Where a ryot has a permanent right of occupancy in his holding neither the ryot nor the landholder shall as such be entitled to prevent the other from making an improvement in respect of the holding except on the ground that he is willing to make it himself.

(2) If both the ryot and the landholder wish to make the same improvement, the ryot shall have the prior right to make it, unless it affects the holding of another ryot under the same landholder, in which case the landholder shall have the prior right.

(3) Notwithstanding any usage or contract to the contrary, a ryot shall not, by reason of making an improvement at his sole expense, become liable to pay a higher rate of rent on account of any increase of production or of any change in the nature of the crop raised as a consequence of such improvement.

14. A non-occupancy ryot shall be entitled in due course of husbandry to reclaim, clear, enclose, level, terrace or remove silt from his holding, and to construct, maintain and repair a well for the irrigation of the holding with all works incidental thereto, but shall not be entitled to make any other improvement in respect of his holding without the landholder's permission.

17. (1) If any landholder or ryot of a holding desires that evidence relating to any improvement made after the passing of this Act in respect of a holding shall be recorded, he may apply to the Collector, who shall thereupon, at a time and place of which notice shall be given to both parties, record the evidence, unless for reasons to be recorded he considers that there are no grounds for the application.

Application to record evidence as to improvement.

(2) When any matter has been recorded under this section, the record shall be admissible in evidence in every subsequent proceeding between the landholder and ryot or any persons claiming under them.

18. Notwithstanding anything contained in sections 13, 14 and 15, the ryot shall be entitled to make temporary wells, waterchannels, embankments, levellings, enclosures or other works or petty alterations or repairs to such works as are made in the ordinary course of cultivation, and the provisions of section 17 shall not apply to such works or repairs.

Saving as to improvements made in ordinary course of cultivation.

23. When in any suit or proceeding it becomes necessary to determine whether any land is old waste or ryoti land other than old waste, it shall be presumed to be ryoti land other than old waste until the contrary is proved.

CHAPTER III.

GENERAL PROVISIONS RELATING TO THE RATES OF RENT PAYABLE BY RYOTS.

Restriction on enhancement.

24. The rent of a ryot shall not be enhanced except as provided by this Act.

Rent payable on admission to possession of ryoti land after commencement of Act.

25. Every ryot admitted by the landholder after the commencement of this Act to possession of ryoti land other than old waste shall be bound to pay rent at a rate not exceeding the rate prevailing for similar lands with similar advantages in the neighbourhood, or, in case such rate cannot be ascertained, at such rate as the Collector may on application decide to be fair and equitable.

Saving as to receipt of premium.

Nothing in this section precludes the landholder from receiving any premium when the ryot is admitted into possession; but a ryot so admitted shall under no circumstances become liable to make any payment to the landholder after his admission by way of premium or other consideration for such admission; nor shall any holding of the ryot be subjected to any charge in respect of any such premium or consideration or part thereof.

Enhancement of rent originally fixed at a lower rate in consideration of bringing waste land

26. (1) Where for the purpose of clearing and bringing waste land in the estate into cultivation or for the purpose of making any permanent improvement or for planting trees on the holding or where under a contract made prior to the commencement of this Act for any premium, loan or other valu-

able consideration, a ryot has accepted a puttah from, or has entered into an engagement with, his landholder at a rate of rent lower than the lawful rate previously payable upon the land or than the rate lawfully payable upon land of similar description and with similar advantages in the neighbourhood, such rent shall not be liable to enhancement during the period for which such lower rate is payable by contract or custom, so long as the ryot shall substantially fulfil the terms upon which and the purposes for which such lower rate was allowed.

into cultivation or of making improvement upon the holding.

(2) After the expiry of the period for which such lower rate of rent is payable or if the terms upon which and the purposes for which such lower rate was allowed have not been substantially fulfilled, the landholder shall be entitled to the full rate.

(3) Except as provided by sub-section (1) no rate of rent at which land may have been granted by a landholder shall be binding upon the person entitled to the rent after the lifetime of the landholder if such rate is lower than the lawful rate payable by the ryot before the date of the grant upon the land or upon land of similar description and with similar advantages in the neighbourhood.

27. If a question arises as to the amount of rent payable by a ryot or the conditions under which he holds in any revenue-year, he shall be presumed, until the contrary is shown, to hold at the same rate and under the same conditions as in the last preceding revenue-year.

Presumption as to amount of rent and conditions of holding.

28. In all proceedings under this Act the rent or rate of rent for the time being lawfully payable by a ryot shall be presumed to be fair and equitable until the contrary is proved.

Presumption as to fair rate of rent.

29. Where for any land in his holding an occupancy ryot pays rent according to the "Waram" (that is, the established rate of the village for dividing the crop between the landholder and the ryot) with or without an addition in money, or otherwise in kind or on the estimated value of a portion of the crop, or at rates varying with the crop or partly in one of these ways and partly in another or others, such rent shall not be liable to enhancement.

Waram rates not liable to enhancement.

30. Where for any land in his holding a ryot pays a money rent the landholder may institute a suit before the Collector to enhance the rent on one or more of the following grounds and no others—

Enhancement of rent by suit.

(i) that during the currency of the existing rent there has been a rise in the average local prices of staple food-crops in the taluk or zamindari division :

(a) Provided that if the rent be permanently payable at a fixed rate or rates it shall not be liable to be enhanced under this clause on the ground of a rise in prices.

(b) Provided also that no enhancement under this clause shall raise the rent by more than two annas in the rupee of the rent previously payable for the land.

(ii) that during the currency of the existing rent the productive powers of the land held by the ryot have been increased by an improvement effected by, or at the expense of, the landholder :

(iii) that a work of irrigation or other improvement has been executed at the expense of Government, and the landholder has been lawfully required to pay in respect of the holding an additional revenue or rate to Government in consequence thereof :

(iv) that the productive powers of the land held by the ryot have been increased by fluvial action.

Explanation.—“Fluvial action” includes a change in the course of a river rendering irrigation from the river practicable where it was not previously practicable.

Rules as to
enhancement
of rent on the
ground of a
rise in prices.

31. Where an enhancement is claimed under section 30, clause (i)—

- (a) the Collector shall compare the average prices during the ten years immediately preceding the institution of the suit with the average prices during the ten years ending twenty years immediately before the institution of the suit ;
- (b) if in the opinion of the Collector it is not practicable to take the decennial periods mentioned in clause (a), the Collector may, in his discretion, substitute any shorter periods therefor ;
- (c) the average prices by which the Collector shall be guided shall be those published under the authority of the Local Government, and the Collector shall presume that the prices shown in the lists prepared for any year subsequent to the passing of this Act are correct and may presume that the prices shown in the lists prepared for any year prior to the passing of this Act are correct unless and until it is proved that they are incorrect ;
- (d) the decennial periods taken for the comparison of average prices shall be periods of ten years excluding all years which the Local Government may notify to be, or to have been, famine years in respect of any local area ;
- (e) the enhanced rent shall bear to the previous rent the same proportion as the average prices during the last decennial period bear to the average prices during the previous ten years taken for purposes of comparison : Provided that, in calculating this proportion, the average prices during the later period shall be reduced by one-half of their excess over the average prices during the earlier period.

Rules as to
enhancement
of rent on the
ground of
landholder's
improvement.

32. (I) Where an enhancement is claimed under section 30, clause (ii)—

- (a) the Collector shall not grant an enhancement unless the improvement has been registered in accordance with this Act or has been executed within fifteen years preceding the commencement of this Act ;

(b) in determining the amount of enhancement the Collector shall have regard to—

- (i) the increase in the productive powers of the land caused or likely to be caused by the improvement ;
- (ii) the cost of the improvement ;
- (iii) the cost of the preparation and cultivation required for utilising the improvement ; and
- (iv) the existing rent and the ability of the land to bear a higher rent.

(2) An enhancement decreed under this section shall, on the application of the ryot or his successor in interest, be subject to revision by the Collector in the event of the improvement not producing or ceasing to produce the estimated effect.

33. Where an enhancement is claimed under section 30, clause (iii), the rent may be enhanced by the sum or proportionate part of the sum which the landholder has lawfully to pay to Government on account of the improvement made by them. Rules as to enhancement of rent on the ground of improvement by Government.

34. Where an enhancement is claimed under section 30, clause (iv)—

- (a) the Collector shall not take into account any increase which is merely temporary or casual ;
- (b) the Collector may enhance the rent to such an amount as he may deem fair and equitable, but not so as to give the landholder more than one-half of the value of the net increase in the produce of the land. Rules as to enhancement of rent on the ground of fluvial action.

35. Notwithstanding anything contained in sections 31 to 34, the Collector shall not in any case decree any enhancement which is under the circumstances of the case unfair or inequitable, or which would operate so as to raise the rent beyond the value of the established waram of the village in which the holding is situated, commuted in accordance with the provisions of section 40. Enhancement of rent to be fair and equitable.

36. If the Collector passing a decree for enhancement under clauses (i), (ii) and (iv) of section 30 considers that the immediate enforcement of the decree to its full extent will be attended with hardship to the ryot, he may direct that the enhancement shall be gradual ; that is to say, that the rent shall increase yearly by degrees for any number of years, not exceeding five, until the limit of the enhancement decreed has been reached. Power to order enhancement to be gradual.

37. (1) A suit for enhancement on the ground of a rise in prices shall not be entertained, if within the twenty years next preceding its institution, the rent has whether before or after the passing of this Act been commuted or enhanced or a suit for enhancement has been dismissed on the merits. Limitation of right to bring successive suits for enhancement of rent.

(2) Nothing in this section shall affect the provisions of section 373 of XIV of 1882 the ¹Code of Civil Procedure.

¹ See now the Code of Civil Procedure, 1908 (Act V of 1908), General Acts, Vol. VI.

Reduction of Rent.

Reduction
of rent by
suit.¹

38. (1) Where for any land in his holding an occupancy ryot pays a money rent, he may institute a suit before the Collector for the reduction of his rent on one or more of the following grounds and on no others :—

- (a) that the soil of the holding has, without the fault of the ryot, become permanently deteriorated by a deposit of sand or by other specific cause, sudden or gradual ; or
- (b) that, in the case of irrigated land, there has been a permanent failure of supply from the irrigation work on which it is dependent ; or
- (c) that during the currency of the existing rent there has been a fall not due to a temporary cause in the average local prices of staple food-crops in the taluk or zamindari division.

(2) In any suit instituted under this section, the Collector may direct such reduction of the rent as he thinks fair and equitable and, in settling the amount of reduction under clause (c) of sub-section (1), shall have regard to the considerations specified in clauses (a), (b), (c) and (d) of section 31.

Limitation of
right to bring
successive
suits for
reduction of
rent.

39. When in a suit instituted under section 38, sub-section (1) (c), a decree has been passed reducing the rent or dismissing the suit on its merits, no fresh suit shall be entertained under the same sub-section if instituted within twenty years from the date of such decree, provided that nothing in this section shall affect the provisions of section 373 of the Code of Civil XIV of 1882. Procedure.¹

Commutation of Rent.

Commutation
by suit of rent
payable in
kind.

40. (1) Where for any land in his holding an occupancy ryot pays rent in kind or on the estimated value of a portion of the crop, or at rates varying with the crop, or partly in one of these ways and partly in another, or partly in one or more of these ways and partly in cash, either the ryot or the landholder may sue before the Collector to have such rent commuted to a definite money rent.

(2) In such suit the Collector shall decide whether commutation shall be allowed, and if he allows commutation shall pass a decree declaring the sum to be paid as money rent in lieu of rent in kind or otherwise and the time from which the commutation is to take effect.

(3) In making the determination the Collector shall have due regard to each of the following considerations :—

- (a) the average value of the rent actually accrued due to the landholder during the preceding ten years other than the years which the Local Government may notify to be or to have been famine years in respect of any local area or, if the value for such period cannot be ascertained, during any shorter period for which evidence may be available excluding famine years ;

¹ See now the Code of Civil Procedure, 1908 (Act V of 1908), General Acts, Vol. VI.

- (b) the money rent payable by occupancy ryots for land of a similar description and with similar advantages in the same village or neighbouring villages; and
- (c) improvements effected by the landholder or the ryot in respect of the holding, and the rules laid down in section 32.

41. (1) Where the rent of a holding has been commuted under section 40, it shall not, except on the grounds specified in clauses (ii) and (iii) of section 30 or on the ground of a subsequent alteration of the area of the holding, be enhanced for twenty years, nor shall it be reduced for twenty years save on the ground of alteration in the area of the holding or on the ground specified in clauses (a) and (b) of sub-section (1) of section 38.

Prohibition against enhancement or reduction of rent for twenty years after commutation.

(2) The said period of twenty years shall be counted from the date on which the commutation takes effect.

Alteration of Rent with Area.

42. (1) Every ryot shall—

- (a) be liable to pay additional rent for all land proved to be in excess of the area for which rent has been previously paid by him, unless it is proved that the excess is due to the addition to the holding of land which having previously belonged to the holding was lost by diluvion or otherwise without any reduction of the rent being made; and
- (b) be entitled to a reduction of rent in respect of any deficiency proved to exist in the area of his holding as compared with the area for which rent has been previously paid by him unless it is proved that the deficiency is due to the loss of land which was added to the area of the holding by alluvion or otherwise, and that an addition has not been made to the rent in respect of the addition to such area :

Alteration of rent in respect of alteration in area.

(2) Provided that, in cases of dispute, no alteration of the amount of rent under this section shall be allowed except under the order of the Collector upon application made to him for that purpose by the landholder or the ryot concerned.

43. Every landholder may, by himself or by any person authorized by him in this behalf, at any time enter on and measure any land comprised in his estate, for the purposes of the last preceding section.

Landholder's right to measure land.

44. (1) Upon an application under sub-section (2) of section 42 and upon notice to the opposite party, the Collector shall, after causing such measurements to be made as he thinks fit, and after hearing such evidence as the parties may adduce, determine the area for which rent has previously been paid and the amount, if any, to be added to or deducted from the rent.

Rules for determination of alteration of rent with area.

(2) In determining the area for which rent has been previously paid, the Collector shall have regard to each of the following considerations :—

- (a) the origin and conditions of the occupancy—for instance, whether the rent was a consolidated rent for the entire holding ;
- (b) any reason which may have led the landholder to permit the ryot to hold the additional land whether in consideration of an addition to his total rent or otherwise ;
- (c) any reason which may have led the ryot to consent to hold a reduced area without a corresponding reduction in his rent ;

Explanation.—In determining whether the landholder has permitted the ryot to hold the additional land, or whether the ryot has consented to hold the reduced area without a corresponding reduction in rent, the Collector may take into consideration the length of time during which the occupancy has lasted without dispute as to rent or area ;

and

- (d) the length of the measure used or in local use at the time of the origin of the occupancy as compared with that used or in local use at the time of the application.

(3) In determining the amount to be added to the rent, the Collector shall have regard to the rates payable by ryots for lands of a similar description and with similar advantages in the village or neighbouring villages, and shall not in any case fix any rent which in the circumstances of the case is unfair or inequitable.

(4) When the landholder or ryot is unable to indicate any particular land as held in excess, the rent to be added on account of the excess area may be calculated at the average rate of rent paid on all the lands of the holding exclusive of such excess area.

(5) In case of abatement the deduction from the rent shall be proportionate to the diminution in the total yearly produce of the holding or, in default of satisfactory proof thereof, the deduction shall be proportionate to the diminution in the area of the holding.

(6) An addition to or abatement of rent under this section shall not be deemed an enhancement or reduction of rent within the meaning of this Act.

Rates payable for occupation of ryoti land without landholder's consent.

45. A person who, without the consent of the landholder, occupies for agricultural purposes ryoti land which he has not acquired by inheritance or legal transfer shall be liable to pay for each revenue-year or portion thereof the rent fixed for that land or, if no rent has been fixed such sum as the Collector may on application determine to be fair and equitable, together with such sum not exceeding the rent fixed or determined as the Collector may award as damages for such unauthorized occupation and the landholder shall have against him all the remedies provided by this Act for the recovery of the rent due thereon.

Non-occupancy Ryots.

46. (1) Except in the cases falling under sub-sections (4) and (5) of section 6, and sub-section (4) of section 8, the landholder, notwithstanding any contract to the contrary or the existence of any lease, shall, on the application of a non-occupancy ryot and on the tender by him of a sum equal to two and a half times the annual rent payable in respect of the land together with the cost of preparing any instrument required for the purpose, confer upon the ryot a permanent right of occupancy in respect of such land :

Procedure for
conferring
permanent
right of
occupancy.

Provided that the ryot may for the purposes of any such application and tender and the landholder may, upon any such application and tender being made to him, apply to the Collector to fix the rent of the land for the purpose of this section, and if it is proved to the satisfaction of the Collector that the rate of rent payable in respect of such land is ¹[excessive and calculated to prevent the acquisition of the occupancy right or is] less than the rate usually paid by occupancy ryots for similar land with similar advantages in the neighbourhood, the Collector may, notwithstanding anything contained in section 26, fix ²[in the former case a fair and equitable rent and in the latter case the rent usually paid for similar lands with similar advantages in the neighbourhood,] and the rent so fixed shall for the purpose of this section be deemed to be and to have been at the date of the application and tender the rent payable by the ryot.

(2) If a landholder to whom an application and tender have been made by a ryot fails for a period of one month to confer a permanent right of occupancy, the ryot may deposit the sum aforesaid in the Collector's office and apply to the Collector to confer on him a permanent right of occupancy in respect of that land.

(3) The Collector shall thereupon give notice of the application to the landholder and after hearing him, if he appears, and making such inquiry as he thinks necessary, may execute any instrument required for conferring a permanent right of occupancy upon the tenant in respect of the land, and the execution shall have the same effect as an execution by the landholder.

(4) When the occupancy right has been conferred as aforesaid, the rate at which rent is payable by the ryot for the purpose of acquiring the occupancy right as aforesaid shall be deemed to be the rate lawfully payable by him within the meaning of section 28, and shall not for a period of twenty years be liable to enhancement or reduction on the ground of a rise or fall in prices.

(5) The sums payable under this section for the acquisition of the occupancy right shall be paid to the landholder who is the owner of the estate or part thereof, and any application or proceeding under this section shall be made only to or against such landholder.

Service of notice of enhancement of rent upon ryot of old waste.

47. When a landholder wishes to enhance the rent payable in respect of any old waste by a ryot whose rent is not fixed by any agreement in writing or who is tenant from year to year or holds over after the expiry of the term of his lease and the ryot does not agree to the enhancement, the landholder may cause to be served on him, through the Collector, a notice of the proposed enhancement not less than six months nor more than twelve months before the commencement of the revenue-year in which the landholder desires the enhancement to take effect.

Procedure when ryot declares willingness to pay enhanced rent.

48. (1) If, within the period of one month from the service of a notice under the last foregoing section, the ryot on whom the notice has been served presents to the Collector issuing the notice a statement in writing declaring his willingness to pay the enhanced rent, he shall be deemed to have agreed to pay that rent from the commencement of the revenue-year next following.

Procedure when ryot fails to make such declaration.

(2) If the ryot does not, within the said period of one month, present to the Collector a statement as aforesaid, the landholder may, not less than ten weeks before the commencement of the revenue-year next following, apply to the Collector to eject the ryot.

Procedure when ryot declares or fails to declare willingness to pay enhanced rent after application for ejectment.

49. (1) If, when the application is made under sub-section (2) of the last foregoing section, the ryot appears and agrees to pay the enhanced rent demanded, his agreement shall thereupon be recorded and he shall not be ejected but shall be liable to pay that rent from the commencement of the revenue-year next following the date of the landholder's application under the said sub-section.

(2) If the ryot fails to appear, or if on appearing he does not agree to pay the enhanced rent demanded, the Collector shall determine what enhancement, if any, is fair and equitable for the land: Provided that, in determining whether any and what enhancement shall be allowed, the Collector shall be guided by the provisions of sections 30 to 37 of this Act.

(3) If the ryot agrees to pay the rent so determined, he shall be entitled to remain in occupation of the land at that rent from the commencement of the revenue-year next following the date of the landholder's application under section 48, sub-section (2).

(4) If the ryot does not agree to pay the rent so determined under sub-section (2), the Collector may make an order for his ejectment subject to the provisions of sections 155 and 156 and subject to the deposit by the landholder, within a month from the date of the order, of the amount of compensation (if any) determined as due to the ryot under section 154. If such amount is not so deposited, the order for ejectment shall become void.

CHAPTER IV.

PUTTAHS AND MUCHALKAS.

Ryots to whom the Chapter applies.

50. (1) The provisions of this Chapter shall apply to all ryots with a permanent right of occupancy and also so far as may be to ryots holding old waste under a landholder otherwise than under a lease in writing.

(2) Every ryot shall be entitled to call upon his landholder to grant him a puttah for any current revenue-year, and every landholder shall be entitled to call upon his ryot to give him a muchalka for any current revenue-year in exchange for a puttah.

Right of ryot and landholder to obtain puttah and muchalka.

51. (1) The puttah shall contain the names of the parties; the local description and extent of the land; the rate or amount and nature of the rent payable thereon, according as it may be payable in money, in kind or by a share of the produce; any local tax, cess or fee or charge payable with the rent according to law or usage having the force of law; the period or periods at which such rent, local tax, cess, fee or charge is to be paid; the date of the puttah and all special terms by which it is intended that the parties shall be bound and shall be signed by the landholder. The muchalka may, at the option of the landholder, be a counterpart of the puttah or a simple engagement to hold according to its terms and shall be signed by the ryot.

Contents of puttah and muchalka.

(2) Any stipulation in restraint of cultivation or of harvesting by a ryot or for the giving up of possession of his land by an occupancy ryot at any specified time shall be void and of no effect.

52. (1) Puttaha and muchalkas may be exchanged for periods of one or more revenue-years, but no landholder shall be bound to tender, and no ryot to accept, a puttah for a period of more than one revenue-year.

Period for which puttahs and muchalkas may be exchanged.

(2) Subject to the provisions of sub-section (3), the tender of a puttah or muchalka and the demand for a muchalka or puttah shall be made within twelve months of the commencement of the period to which the puttah or muchalka relates.

(3) Puttaha and muchalkas accepted, exchanged or decreed for any revenue-year shall remain in force until the commencement of the revenue-year for which fresh puttaha and muchalkas are accepted, exchanged, or decreed; provided that where a puttah or muchalka has continued in force for more revenue-years than one, no fresh puttah or muchalka for the same holding shall take effect until the commencement of the revenue-year next succeeding that in which it is tendered, accepted, exchanged or decreed.

53. (1) No landholder shall have power to proceed against a ryot for the recovery of rent by distraint and sale of his moveable property or by sale of his holding under Chapter VI unless he shall have exchanged a puttah and muchalka with such ryot or tendered him such a puttah as he was bound to accept or unless a valid puttah or muchalka continues in force.

Landholder's right of distraint and sale of holding conditional on tender of puttah.

(2) A puttah tendered by a landholder which in the opinion of the Collector is partially but not entirely correct, shall nevertheless be enforceable to the extent to which it is found to be correct.

54. (1) The tender of a puttah may be made to the ryot in the manner provided for the service of notice under sub-section (2) of section 78, or if the Collector on the application of the landholder shall so permit, in respect of any estate or any portion of an estate, by filing it in the office of the Collector or such other officer as the Local Government may by general or special

Puttah how to be tendered.

order direct; and, if so filed, the Collector or such officer shall cause the puttah to be served on the ryot in the aforesaid manner at the cost of the landholder.

(2) The application shall be signed and verified as a plaint; and shall be accompanied by such payment on account of costs of service as the Local Government may by rule prescribe.

Suit to obtain puttah.

55. When a landholder, for three months after demand, fails to grant a puttah in such terms as the ryot is entitled to receive, it shall be lawful for the ryot to sue for such a puttah before the Collector.

Suit to enforce acceptance of puttah.

56. When a ryot for one month after tender fails to accept the puttah tendered to him and to give a muchalka in exchange, the landholder may sue before the Collector to enforce acceptance of such puttah.

Procedure in adjudication of suit to enforce grant or acceptance of puttah.

57. In adjudicating suits under sections 55 and 56, the Collector shall first inquire whether the party sued is bound to grant or accept a puttah, and, unless this be proved, the suit shall be dismissed. If the plaintiff establishes that the party sued is bound to grant or accept a puttah, the Collector shall inquire whether the puttah demanded or tendered is a proper one. If it is found to be so, the Collector shall pass a decree directing the defendant to grant the puttah in exchange for a muchalka or accept the puttah and give a muchalka in exchange. If the Collector is of opinion that the puttah demanded or tendered is not a proper one, he shall decide what the terms of the puttah should be, and shall embody such terms in his decree which shall be of the same force and effect as if a puttah and muchalka had been exchanged.

Puttahs and muchalkas to be signed and registered by the Karnam.

58. The Karnam of the village in which the holding is situated shall regularly sign and register puttahs and muchalkas in respect of the holding.

CHAPTER V.

Payment of rent in instalments.

59. Rent shall be payable in instalments according to agreement or in the absence of agreement according to established usage.

Arrear of rent.

Interest on arrears.

61. An arrear shall bear simple interest at the rate of one-half per centum per mensem from the date on which the arrear fell due until it is liquidated.

Right of ryot to receipt for rent.

117. (1) The selling officer shall, by order, fix a date for the sale and shall cause it to be proclaimed by beat of drum in the village in which the holding is situated; he shall also post a copy of his order in some conspicuous place in the village.

Manner of sale.

121. If, on the property being put up for sale, a fair price in the estimation of the selling officer is not offered for it, and if the defaulter or a person authorized to act in his behalf, or the landholder applies to have the sale postponed until the next day, the sale shall be postponed until that day and shall then be completed, whatever price may be offered for the property. Postponement of sale.

122. Every such sale shall be stopped, if the landholder withdraws his application for sale or if before the lot is knocked down, the amount mentioned in the proclamation, and costs of the sale are tendered to the selling officer, or proof is given to his satisfaction that such amount has been paid to the Collector. Stoppage of sale.

123. The price of every lot shall be paid at the time of sale, or as soon thereafter as the selling officer directs, and in default of such payment the property shall be put up again and sold, and any deficiency in price, which may happen on such second sale and all expenses attending such second sale shall be certified to the Collector by the selling officer and shall, at the instance either of the landholder or of the defaulter, without prejudice to any other remedy which he may have, be recoverable in a suit before the Collector from the defaulting purchaser. Extent of holding to be brought to sale.
Rules for disposal of sale-proceeds.

126. The portion of the holding brought to sale by the landholder shall be, as nearly as possible, equal in value to the amount of arrears due and costs.

127. In disposing of the proceeds of a sale of a holding under this Chapter, the following rules shall be observed, that is to say :—

- (a) there shall first be paid to the landholder the costs incurred by him in bringing the holding to sale ;
- (b) there shall, in the next place, be paid to the landholder the amount due to him for arrears and interest up to date of payment ;
- (c) if there remains a balance after these sums have been paid, there shall be paid to the landholder therefrom any rent which may have fallen due to him in respect of the holding between the date of application or suit and the date of the sale and the defaulter shall receive from the selling officer a receipt for the amount so paid ; if the defaulter disputes the landholder's right to receive any sum under this clause, the Collector shall register the dispute as a suit and shall proceed to determine it :

Provided that no payment shall be made to the landholder under clauses (a), (b) and (c) of this section until after the expiration of thirty days from the date of sale.

- (d) the balance (if any) remaining after the payment of the amount mentioned in clause (c) shall, subject to the order of any Civil Court to the contrary, be paid to the defaulter on his application, after the expiration of three months from the date of the sale.

128. (1) When a proclamation has been made for the sale of a holding or part of a holding and any person having an interest therein which would be affected by the sale, pays to the Collector or the selling officer the amount requisite under section 122 to prevent the sale,—

- (a) the amount so paid by him shall be deemed to be a debt bearing interest at six per centum per annum and charged upon the holding ; and
- (b) such charge shall take priority of every other charge on the holding other than a charge for arrear of rent and any prior charge under this section.

(2) Nothing in this section shall affect any other remedy to which any such person would be entitled.

129. Where a proclamation has been made for the sale of a holding or part of a holding of a defaulting ryot, and any tenant or sub-tenant thereof, whose interest would be affected by the sale, pays to the Collector or to the selling officer the amount requisite under section 122 to prevent the sale, he may, in addition to any other remedy provided for him by law, deduct the whole or any portion of the amount so paid from any rent payable by him to his immediate landlord; and that landlord may in like manner deduct the amount so deducted from any rent payable by him to his immediate landlord and so on, until the defaulter is reached.

Right of tenant or sub-tenant to deduct from rent amount paid for ryot.

130. A landholder who has brought to sale a ryot's holding or part thereof for an arrear may bid for or purchase the holding or a part thereof.

for payment to the landholder, the amount specified in the proclamation of sale as that for the recovery of which the sale was ordered, together with subsequent costs, if any, incurred by the landholder in bringing the holding to sale, less any amount which may, since the date of the proclamation of sale, have been received by the landholder, and

for payment to the purchaser, a sum equal to five per centum of the purchase-money.

(2) If such deposit is made within the thirty days, the Collector shall pass an order setting aside the sale, and the provisions of section 315 of the ¹Code of Civil Procedure shall apply in the case of a sale so set aside.

133. The Collector, (a) in executing a decree for arrears in a suit under this Act, or (b) on the application of the defaulter whose holding is to be sold under the provisions of this Chapter, may, before issuing an order for the sale of the holding or part thereof and on the defaulter's giving security for the amount of the debt with costs and interest to the satisfaction of the Collector, allow the defaulter time in which to pay the amount due, provided that any period or the aggregate of any periods so allowed shall not exceed two months unless the Local Government by general or special order allow a longer period.

CHAPTER VII.

REPAIR OF IRRIGATION WORKS.

Application to District Collector for repair of irrigation works.

135. Any ryot or ryots holding irrigated land under a landholder and paying not less than one-fourth of the rent of the ayakat under an irrigation work or holding not less than one-fourth of the extent of the ayakat may apply to the District Collector stating that the irrigation work whereby the land held by the applicant or applicants is served is out of repair and that the landholder upon his or their application has refused or neglected to execute necessary repairs, and that he or they are unable in consequence to raise an irrigated crop, and praying for the issue of an order under section 137 for the repair of the said work. The application shall state in sufficient detail the nature of the repairs deemed necessary, and the extent of the land irrigated by the work and the rent derivable from it. The District Collector shall then by himself or by an officer subordinate to him, not below the rank of a Deputy Tahsildar, to whom he may depute the inquiry, cause to be served on the landholder a copy of the application and a notice to show cause, on a date to be stated in the notice, why the order prayed for should not issue. The notice shall also be posted in the village or villages wherein the land irrigated is situated.

Inquiry on application.

136. On the day fixed in the notice, or on any other date to which the inquiry may be adjourned, the District Collector or officer as aforesaid shall hear the applicant or applicants, the landholder and any ryots of land irrigated by the work who may attend, and may take any evidence that he may think fit. If the inquiry is made by an officer other than the District Collector, he shall make a report thereon to the District Collector.

Order on inquiry.

137. If the District Collector is satisfied that the rent payable to the landholder in respect of the land irrigated by the work is higher than it would be if the land were not so irrigated, and that the irrigation work is in such a state of disrepair as materially to prejudice the irrigation of the lands dependent upon it and that the state of disrepair is not due to the wrongful acts of the ryots or to omission to make such minor repair as the ryots are bound

to carry out under the provisions of ¹Madras Act I of 1858, he may pass an order stating which of the works mentioned in the application or shown at the inquiry are necessary for the restoration of the irrigation work to efficiency, and the estimated cost of the same, and requiring the landholder to execute the said works within a specified time. The District Collector may also in the order declare that, if the landholder refuses or within the time specified or such further time as the District Collector may allow fails to execute the works, the applicant alone or with any other ryots willing to join with him, may be authorized on application made to the Collector, to execute any or all of the said works within a reasonable time to be fixed by the Collector: Provided that such works shall be works of repair only and shall not include additions or improvements unless with the consent of the landholder; nor shall they include any petty works, such as the yearly clearance of supply and distribution channels, which by the custom of the country should be carried out by the ryots.

The District Collector shall not pass an order under this section if the landholder establishes that the obligation to maintain the irrigation work is imposed upon an inamdar holding a dasabandam inam granted prior to the permanent settlement and confirmed but not enfranchised by the British Government or has been otherwise transferred from such landholder, or unless he is satisfied that it is to the advantage of both the landholder and the ryots that the work should be repaired.

138. (1) If the irrigation work serves partly an estate and partly Government land, the repair as aforesaid shall invariably be executed by the ²[District Collector], and after notice to the landholder giving him an opportunity to examine the stated cost of the repair and urge his objection thereto, if any, the charges incurred shall be divided between the Government and the landholder in proportion to the extent of land belonging to Government which is registered as entitled to irrigation from the work and the extent of land belonging to the landholder for which he is entitled free of separate charge to irrigation from the work. The portion due by the landholder shall be recoverable as an arrear of land-revenue.

³(2) Nothing in ³[sub-section (1)] shall apply to irrigation works belonging to the Government, which the Government are bound to maintain, and from which the landholder is entitled to a supply of water free of charge.

⁴(3) A landholder who is dissatisfied with an order of the District Collector under this section may sue in a Civil Court to have it set aside or modified on either of the following grounds:—

(a) that he is under no obligation to repair the irrigation work concerned,

Procedure where the work serves partly an estate and partly Government land.

Saving as to works belonging to Government.

(b) that the portion of the charge which he is liable to pay under subsection (1) has been wrongly calculated.

If the order is set aside or modified, the Court shall direct the refund of any amount found to have been improperly levied.]

Recovery of cost of repair from ryots.

139. If the Collector has ordered under section 137 that the ryots may execute any work, the parties authorized to execute it may, after such work has been completed, apply to the District Collector for an order for the recovery of the cost. The District Collector shall then give the landholder an opportunity of stating objections to the application, and shall take such steps as he may deem necessary to satisfy himself that the works have been executed properly and within the time fixed, and that the cost claimed is not excessive. He shall, if so satisfied, pass an order specifying such amount as he may find to be reasonably due on account of the work executed, and in such order may include the cost of estimates and inspection. He shall then, in the first instance, call upon the landholder to pay the amount specified in the order; if the landholder declines to pay the amount, the District Collector shall then pass an order for the recovery of the amount from the ryots holding land under the irrigation works. The order shall set out the amount payable by each ryot in proportion to the rent of the land so held by him. Any amount payable by the ryots or agreed to be paid by the landholder under this section, together with interest at six per centum per annum from the date of the order, shall be recoverable as an arrear of land-revenue.

Payment to persons executing repairs.

140. The amount recovered, less the cost, if any, of inspection of the works executed shall be paid to the parties authorized to execute the same under section 137.

Right to recover cost of repairs by deduction from rent.

141. Every ryot from whom any sum has been recovered under the provisions of section 139 in respect of any irrigation work shall be entitled to deduct from the rent payable by him to the landholder a sum equal to the difference between the irrigated and unirrigated rate for the land held by him under the said work. Where the unirrigated rate is not known, the Collector shall on application made determine the same with reference to the rates for dry lands of similar description and with similar advantages in the village or neighbouring villages. Where the ryot holds both irrigated and unirrigated land in his holding under a consolidated rent and the irrigated rate is not known, the Collector shall on application made determine the same:

Provided that such deductions shall cease and determine as soon as the amount which has been recovered under section 139 has been recouped with interest at six per centum per annum.

Right of appeal.

142. No Civil Court shall ¹[issue an injunction or, save as provided in section 138, entertain a suit] regarding a District Collector's proceedings

under this Chapter, but from any order issued by a District Collector ¹[under this Chapter other than an order under section 138] an appeal shall ²[unless otherwise provided for in Part B of the Schedule to this Act] lie to the Board of Revenue, whose decision shall be final.

CHAPTER VIII.

ILLEGAL CESSES.

143. Landholders shall not exact from their ryots under any name or under any pretence anything in addition to the rent lawfully payable. All stipulations and reservations for such additional payment shall be void. Prohibition against levy of anything in addition to rent.

144. Every ryot from whom, except under any special enactment for the time being in force, any sum of money or any portion of the produce of the land has been exacted by the landholder in excess of the rent lawfully payable shall be entitled to recover by a suit before the Collector, in addition to the amount or value of what has been so exacted, such sum by way of penalty as the Collector thinks fit, not exceeding one hundred rupees or, when double such amount or value exceeds one hundred rupees not exceeding double that amount or value. Penalty for illegal exactions.

CHAPTER IX.

SUB-DIVISION AND TRANSFER OF HOLDINGS AND ESTATES.

145. (1) Where a ryot transfers a portion of his holding or where a holding is divided amongst co-sharers, it shall not be competent to the landholder to object to the sub-division of the holding, provided that the distribution of the rent between the divisions shall be made by the landholder or with his consent : Division of holding amongst co-sharers or on transfer of a portion.

Provided also that no landholder shall be bound to recognise the sub-division of a revenue-field or part thereof, unless each sub-division is not less than five acres in extent, if the field be classed as unirrigated, and one acre in extent, if the field be classed as irrigated or garden.

(2) In case such distribution be unfair or delayed for an unreasonable time, the Collector shall on application by the ryot make a fair apportionment which shall be binding on the persons interested.

146. (1) Whenever a holding or any portion thereof is transferred by the act of a ryot, or in execution of a decree or order of a Civil Court passed against him, or by a sale for arrears of Government revenue or for any demand recoverable as such arrears, such transfer shall, subject to the provisions of section 145, be recognised by the landholder if notice in writing be communi- Transfer of holding by act of ryot or in execution of a Civil Court decree to be

(2) The notice required under section 146 shall be served in the manner provided by sub-section (2) of section 78.

CHAPTER X.

RELINQUISHMENT AND EJECTMENT.

Relinquish-
ment of
holding by
ryot.

149. (1) Every ryot other than a ryot of old waste bound by a lease or other written agreement for a fixed period may, with effect from the end of any revenue-year, relinquish his holding or any part thereof, not being less than a revenue-field, provided that the portion relinquished is accessible, and

provided that the apportionment of the rent on the part retained shall be made by the landholder subject to revision by the Collector on application by the ryot. The portion retained shall be treated as a new holding and a fresh puttah and muchalka shall be exchanged in respect of the same for the revenue-year next succeeding that in which notice of relinquishment is given.

(2) A ryot who so relinquishes his holding or part of his holding shall be liable at the suit of the landholder before the Collector to indemnify him against any loss of rent on the holding or the part thereof for the revenue-year next following the date of the relinquishment, unless the ryot gives to the landholder on or before the first day of April notice of his intention to relinquish.

150. (1) If the landholder refuses to receive any notice under sub-section (2) of section 149, the ryot may, not later than the fifteenth day of April, make an application to a Revenue-officer who shall thereupon cause the notice to be served on such landholder, the ryot paying the costs of service.

Application to Revenue-officer for service of notice.

(2) Every such notice shall be deemed to have been received at the time it was first tendered.

151. (1) A landholder may institute a suit before the Collector to eject an occupancy ryot from his holding only on the ground that the ryot has materially impaired the value of the holding for agricultural purposes and rendered it substantially unfit for such purposes.

Suit for ejection.

(2) Notwithstanding anything contained in this section a landholder may sue before the Collector for compensation in addition to, or in lieu of, ejection : or for an injunction, or for the repair of the damage or waste with or without compensation.

152. If in any suit under the preceding section an occupancy ryot is found liable to ejection, but it appears that the damage to the holding admits of being repaired, or that pecuniary compensation would afford adequate relief, the decree shall provide that, if within one month from the date thereof or such further time as the Collector for reasons to be recorded may allow, the ryot does not repair the damage or pay as compensation a sum which shall be fixed by the Collector and specified in the decree, he shall be ejected.

Decree where damage is repairable or pecuniary compensation would be adequate relief.

153. A non-occupancy ryot shall, subject to the provisions of this Act, be liable to ejection by suit before the Collector on one or more of the following grounds, and not otherwise, namely :—

Grounds on which non-occupancy ryot may be ejected.

- (a) on the ground that he has used the land in a manner which renders it unfit for the purposes of the tenancy ;
- (b) on the ground that a decree for arrears of rent in respect of the holding passed against him or any person whose legal representative he is remains unsatisfied at the expiry of the revenue-year following the one in which the decree was passed ;
- (c) on the ground that he has refused to agree to pay a fair and equitable rent determined under section 49 ;

- (d) on the ground that without the permission of the landholder the ryot has mined or quarried or excavated gravel or clay for profit within his holding; and
- (e) where he has been admitted to occupation of the land under a registered lease for a term exceeding five years, on the ground that the term of the lease has expired.

¹[Nothing in this section shall affect the liability of any person who is a non-occupancy ryot, according to the provisions of this Act to be ejected on the ground of expiry of the term of a lease granted before the commencement of this Act.]

Compensation for improvement made by non-occupancy ryot.

154. (1) If a ryot of old waste or his predecessor in interest has made an improvement in respect of his holding in accordance with this Act or with the landholder's consent, he shall not be ejected until he has received compensation for the improvement if compensation has not already been paid therefor unless the improvement was begun by him after the institution of the proceedings which resulted in the decree or order for his ejection.

(2) The Revenue Court making a decree or order for the ejection of the ryot shall determine the amount of compensation, if any, due to him under this section, and shall stay execution until the landholder deposits the amount less any arrears of rent or costs that have been ascertained by the proceedings for such ejection to be due to him from the ryot.

(3) No compensation shall be claimed under this section for improvement where the ryot has made the improvement in pursuance of a contract binding him in consideration of some substantial advantage to him to make the improvement without compensation, and he has obtained the advantage.

(4) The Local Government may make rules requiring the Revenue Court to associate with itself, for the purpose of estimating the compensation to be awarded for improvements, such number of assessors as the Local Government think fit, and determining the qualifications of those assessors and the mode of selecting them.

(5) In estimating the compensation to be awarded for improvements regard shall be had—

- (a) to the amount by which the letting value, or the produce of the holding, or the value of that produce, is increased by the improvement;
- (b) to the condition of the improvement, and the probable duration of its effects; and
- (c) to any reduction or remission of rent or any other advantage given by the landholder to the ryot in consideration of the improvement.

¹ Added by Madras Act IV of 1909, s. 8, see also s. 1 of that Act, *post*.

155. The following rules shall be applicable in the case of every ryot ejected from a holding :—

- (1) When the ryot has before the date of his ejection, sown or planted crops in any land comprised in the holding he shall be entitled, at the option of the landholder, either to retain possession of that land and to use it for the purpose of tending and gathering in the crops, or to receive from the landholder the estimated value of the labour and capital expended by the ryot in preparing the land and sowing, planting and tending the crops, together with reasonable interest thereon.
- (2) When the ryot has, before the date of his ejection, prepared for sowing any land comprised in his holding, but has not sown or planted crops on that land he shall be entitled to receive from the landholder the estimated value of the labour and capital expended by him in so preparing the land, together with reasonable interest thereon :

Right of ejected ryot in respect of crops and land prepared for sowing.

Provided that a ryot shall not be entitled to retain possession of any land or receive any sum in respect thereof under this section when, after the commencement of proceedings by the landholder for his ejection, he has cultivated or prepared the land contrary to local usage :

Provided also that the rent, if any, payable to the landholder by the ryot at the time of ejection may be set off against any sums payable to the ryot under this section.

156. When a landholder elects, under clause (1) of the last foregoing section, to allow a ryot to retain possession of any land for the purpose specified in that clause, the ryot shall pay to the landholder, for the use and occupation of the land during the period for which he is allowed to retain possession of the same, rent at the rate at which the ryot was holding.

Payment by ryot for occupation of land under preceding section.

157. Notwithstanding any contract to the contrary, a tenant of old waste shall not be ejected by the landholder as such except on the ground mentioned in section 153, or in accordance with, and subject to the provisions of, sections 48, 49, 154 and 155 of this Act.

Ejection of tenant of old waste.

Eviction of Tenants.

158. When any tenant of private land in an estate shall be in arrear at the end of a revenue-year and when there is no sufficient distress upon the premises to satisfy the arrear, the landholder or his authorized agent may apply to the Collector for a warrant authorizing him to enter upon and take possession of the premises. Such warrant shall be granted upon the production of a written statement of the person applying for the warrant, which statement shall contain the name of the defaulter, the description and extent of the premises, the amount due for arrears, interest and costs of distraint if any, and the date at which the arrear fell due, and also a declaration that

there is no sufficient distress upon the premises. Such statement shall be filed in the office from which the warrant issues.

Contents of
warrant.

159. The warrant shall state the defaulter's name, the whole amount due and the description and extent of the premises, and shall set forth that, unless payment is made within fifteen days, the defaulter will be turned out of possession. The Collector may, for special reasons, extend the period of fifteen days mentioned in this section.

Execution
of warrant.

160. The warrant shall be entrusted to an officer of police, who shall serve it after the manner laid down in sub-section (2) of section 78. If within fifteen days after service, or within the period extended by the Collector under the last foregoing section, the amount named in the warrant is not discharged, and if no suit has been filed by the defaulter before the Collector to set aside the warrant, or if such suit has been decided against the defaulter, the police-officer shall place the landholder in possession.

Determina-
tion of
tenancy.

161. Where possession has been delivered under the last preceding section, the defaulter may file a suit in a Civil Court within three months from the date of delivery for an order to set aside the proceedings and to restore him to possession, and subject to the result of such suit if any, the defaulter's right and interest in the premises shall cease and determine.
