FORT ST. GEORGE, 1st JULY 1834.

G. O. BY GOVERNMENT.

By reports lately received from Mr. Russell, Commissioner in Ganjam, and Brigadier General Taylor, Commanding the Northern Division of the Army, the Governor in Council has had the satisfaction of learning that the portion of the Ganjam District lately disturbed has been restored to such a state of peace and security as to admit of the withdrawal of all the Troops, excepting the 21st Regiment, and a Detachment of Sappers and Miners.

The following are the Troops who have been actively employed on Field Service in this District.

Regiments and Detachments.	Commanded by	From what period.	To what period.

Golundauze Detachment	Captain Horne	9th January 1834	7th June 1834.

21st Regiment Head Quarters	Major Newell	12th February 1834	
Sappers and Miners Detachment of	Lieutenants Power and Macaulay	14th February and 4th March	

The Governor in Council has observed with high approbation the exemplary conduct of all the Troops employed in this arduous and harassing Service, their patient endurance of extraordinary fatigue and privations, and the gallant and resolute spirit with which they executed every enterprize to which they were led by their Officers whose activity and energy have been conspicuous.

The 41st Regiment deserves particular notice. This was the only Corps employed in Kimedy at the commencement of the insurrection of the hill chiefs, and not only afforded effectual protection to the inhabitants and enabled them to secure their crops from the ravages of the insurgents, but made successful attacks on several of their strong posts before the arrival of any reinforcement. Since the formation of the Brigade it has been constantly actively employed in co-operation with the other Troops. Captain Campbell, who succeeded to the Command of the Corps, on the lamented death of Major Baxter, has greatly distinguished himself by his judicious conduct at that critical period, and by the ability and energy he has displayed in the service.

sure the approbation expressed by Brigadier General Taylor of the services of Captain Macdonald gade Major to the Force and Officiating Deputy Judge Advocate General, and of Lieutenant Hill Survey Department.

The Governor in Council desires to express to General Taylor the thanks of Government for hi sonal exertions in the exercise of the general Military control, and for the able assistance he has on all occa rendered to the Civil Commissioner Mr Russell. The Governor in Council is satisfied that the service been greatly promoted by his presence in Camp with the Commissioner by which every exigency was in diately provided for.

The Governor in Council will take another opportunity of recording his sense of the services of the C missioner Mr. Russell.

GENERAL ORDERS,

By His Excellency The Commander in Chief.

ADJUTANT GENERAL'S OFFICE: FORT ST. GEORGE,

23D JULY 1834.

The following General Orders issued to His Majesty's Troops serving under this Presidency, are published for the general information of the Army:

GENERAL ORDERS.

HEAD QUARTERS:
BANGALORE, 8*th April* 1834.

At a General Court Martial holden at Moulmein, on Monday the 24th day of June 1833, and continued by adjournment to Monday the 30th day of September following, Privates John Wells and Edward Guest of His Majesty's 41st or Welch Regiment of Infantry, were arraigned on the undermentioned Charge.

Charge.—"For having at Moulmein on the Morning of the Twenty-fifth of September One thousand Eight hundred and Thirty-three, stolen from the shop of Menas Aviet, an Armenian Merchant, or having received, knowing the same to have been feloniously or unlawfully stolen, taken, or obtained, one Silver Watch of the value of One hundred and Twenty Madras Rupees, or thereabouts."

"The above being to the prejudice of good order and Military discipline, and in breach of the Articles of War."

MOULMEIN,
This Twenty-eighth day of September, One thousand Eight hundred and Thirty-three.

(Signed) EDWARD PURDON, Lieut. Colonel,
Commanding H. M. 41st or Welch Regiment of Infantry.

Upon which Charge the Court came to the following Decision.

"The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, together with what the Prisoners John Wells, Number One hundred and Seventy-four, and Edward Guest, Number Five hundred and One, Privates in Number Five or Captain William Dempster's Company, of the Forty-first or Welch Regiment of Infantry, have urged in their Defence, is of opinion."

Finding on the Charge.—"That the Prisoners are Guilty of the Charge."

Sentence.—"The Court having found the Prisoners "Guilty" as above stated, doth Sentence them the said John Wells, Number One hundred and Seventy-four, and Edward Guest, Number Five hundred and One, Privates in Number Five or Captain William Dempster's Company, of the Forty-first or Welch Regiment of Infantry, being born of European Parents, to be transported beyond Seas for a term of Fourteen Years."

The Court will reconsider its Finding and Sentence.

These Prisoners have inaccurately been charged in the same charge, as Principals in stealing and as Receivers:—and the Court has, therefore, irregularly convicted them of the *entire* charge, whereas it is evident that they could not, both, on the same occasion and regarding the same theft, have been Receivers as well as Thieves.—Under these circumstances, the Court should limit its Finding of Guilty to such portion of the charge as may appear to it to have been proved in Evidence.—The Punishment for simple Larceny cannot legally exceed seven years Transportation.

MADRAS,
The 25th of Nov. 1833.

(Signed) R. W. O'CALLAGHAN,
Lieut.-General.

Disapproved.—The revision of the Judgment upon this trial having been rendered impracticable by the absence of the President of the Court, who has proceeded to the Cape of Good Hope on Sick Certificate, Privates Wells and Guest are to be released from confinement and return to their duty.

C. B. Commander in Chief, are published to the Army.

Lieutenant Thomas Hillman Hull of the Madras European Regiment, placed in arrest by my order.

Charge.—For unofficer-like conduct, to the prejudice of good order and Military Discipline, and disrespectful towards me his immediate Commanding Officer, in having, at Kamptee, on the Fourteenth of May, One thousand Eight hundred and Thirty-four, in a private letter, to Lieutenant and Adjutant James George Neill of the same Regiment, written with the expressed desire of having the same communicated to me; announced his intention of discontinuing all intercourse with me, except of an official nature, or words to the same effect.

(Signed) C. A. ELDERTON, Lieut. Colonel,

(By Order.)
(Signed) J. GUNNING,
Assistant Adjutant General.

The Court having most maturely weighed and considered the Evidence adduced in support of the Prosecution, together with what the Prisoner Lieutenant Thomas Hillman Hull, of the Madras European Regiment, has urged in his Defence, is of opinion :

Finding on the Charge.—That the Prisoner is not Guilty of the Charge ; and does fully acquit him thereof.

(Signed) S. BULLOCK, Captain,
Deputy Judge Advocate General.

(Signed) J. WAHAB, Lieutenant Colonel,
34th Light Infantry, President.

Disapproved.—In directing Lieutenant Hull to be released from Arrest, and to return to his duty, I consider it right to place upon record my dissent from the dangerous doctrine endeavoured to be established by the award of the Court ; namely that an Inferior Officer may justifiably offer *private* insult to his Superior, upon a matter solely and exclusively connected with the Public Service—I also consider it due to Lieutenant Colonel Elderton to state my conviction that his conduct, throughout, has been solely actuated by a becoming sense of the duties of the Command entrusted to him.—Further comment appears to me unnecessary ; the more especially as I cannot apprehend that any Court will be found hereafter so little mindful of its duty, and so regardless of the due support of discipline and subordination.

Charge.—For having deliberately and maliciously fabricated and put forth a falsehood in the following manner.

" By having in a conversation with Captain George Huddleston Thomas of the Seventh Regiment Light Cavalry, Held at Bangalore, sometime in the month of October, One thousand Eight hundred and Thirty-two, and before Colonel David Foulis returned to India in that year said, " I don't know what " the Officers of the Fifth may chose to say, but I know that Colonel David Foulis was well acquainted " with them after he had gone to the Fifth" (alluding to certain accusations against me then about to be investigated by a Court of Inquiry, " for I have had communications with him on the subject," or words to that effect."

" And also by having at Bangalore sometime in the month of September or October One thousand Eight hundred and Thirty-two said " that he, Lieutenant Colonel Thomas Henry Somerset Conway knew the Charge, (meaning the accusations above quoted)" was well founded for " that Colonel David Foulis several years ago, before he went home told him Lieutenant Colonel Thomas Henry Somerset Conway, he knew of my guilt; and also, that he then advised Colonel David Foulis not to bring the matter forward unless it could be proved" or words to that effect."

" The whole of which assertions as regards Colonel David Foulis' knowledge of my guilt or of his communication with him, Lieutenant Colonel Thomas Henry Somerset Conway, to that effect were utterly false and were fabricated and put forth by him, Lieutenant Colonel Thomas Henry Somerset Conway, for the purpose of prejudicing my cause, and inducing my friends to withdraw their confidence and support from me, during the before mentioned Inquiry.

No. 350.

FORT ST. GEORGE, 25th October 1834.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council is pleased to publish the following Regulations for Foraging Mounted Corps.

Forage for the use of all Mounted Corps will be purchased and stacked at the most favorable season of the year. It will be of either of the following descriptions, calculated by the actual strength of Regiments or Troops, (including all Detachments likely to join) at the rate of,

4 lbs. of Hay, or
5 lbs. of Straw, or

5 Pullahs of Cholum or Kurby, per Horse per diem, for six months consumption, including wastage and every expenditure.

An Indent of the accompanying form, upon the Commissariat Department, will be submitted to the Military Board, at the season most favorable for the supply of the sort of Forage required, by the Officer Commanding the Horse Artillery, or through him, by Officers Commanding Troops when detached ; by the Officer Commanding His Majesty's Regiment of Dragoons and by Officers Commanding Regiments of Light Cavalry.

Indent on ——— Assistant Commissary General, for the supply of Forage for the year 1834-35, to (the Horse Artillery, His Majesty's Regiments of Light Dragoons or Regiments of Light Cavalry) for 500 Horses, return annexed.

Hay	*Maunds	& lbs.
Straw	do.	& lbs.
Cholum or Kurby	Pullahs.	

Commanding Officers will be allowed to substitute any proportion, or the whole of one kind of Forage for the other kinds at their discretion—to be regulated by the produce of the Country in which they are stationed ; by the seasons and other contingencies. The stoppages from Grass cutters for bad and short bundles will be appropriated to the supply of Forage, of which an account is to be forwarded monthly to the Military Board. The issue of Forage will be regulated by Commanding Officers both as to time and quantity, and appear in the Brigade or Regimental Orders of Horse Artillery, Regiments of Dragoons and Cavalry, and in the Troop Orders of detached Troops of Horse Artillery. While grass is abundant, no expenditure of dry Forage will be required. It will be issued when grass is scarce or of bad quality in wet weather to mix with new grass, at times of more than ordinary work, and, generally, when of greatest advantage to the Horses. A monthly return, shewing receipts, issues and remains, with a separate account of daily expenditure (of the annexed forms) will be made to the Military Board.

The Books are to be kept by Quarter Masters of Horse Artillery, Dragoons and Cavalry, Adjutants of detached Troops of Horse Artillery, and Officers Commanding Detachments of Cavalry.

Detached Troops of Cavalry or small Details of Horse Artillery and Cavalry, are to have the full complement of Grass-cutters at all times.

Regiments of Dragoons or Cavalry and Troops or Horse Artillery, if marching at the season when Forage is scarce, will receive, under the authority of the Military Board, a money allowance in advance of 250 Rupees per month, for each Regiment of Dragoons or Cavalry, and 100 Rupees for each Troop of Horse Artillery, to be accounted for, by a bill of the annexed form, and returns of the forms herein directed.

It is presumed that the foregoing Regulations comprise all that are necessary for an efficient system of foraging Mounted Corps, and that, under proper supervision and the cordial co-operation of Commanding Officers, in giving effect to the views of Government, the supply will prove abundant. Strict attention should be directed to the purchase of Forage at an advantageous season ; to having it carefully dried and stacked, to its preservation in stack, both from the weather and depredation, and consistently with the preservation of condition in the Horses, to regulating the expenditure at all times with economy.

* Maunds of 25 lbs. The descriptions of Forage not indented for, to be omitted.

GENERAL ORDERS,

HEAD QUARTERS: CHOULTRY PLAIN, 1st NOVEMBER 1834.

The Right Honorable the Governor in Council having addressed the subjoined Orders to His Excellency the Commander in Chief to be published to the Army, they are accordingly published in Military Orders.

No. 351.

FORT ST. GEORGE, 25TH OCTOBER 1834.

G. O. BY GOVERNMENT.

1. The Right Honorable the Governor in Council has been pleased to direct that the following modifications and additional provisions for the Military Pay Department, shall have effect from the 1st January 1835.

2. A Paymaster of the 1st Class to each of the following Divisions:

Presidency, including the accounts of Tenasserim, Penang, Singapore, and Malacca,
Mysore,
Trichinopoly,
Secunderabad,

Salary of the Paymaster at the Presidency Rupees 1,000 per month. Salary of the rest Rupees 600 each per month.

3. A Paymaster of the 2d Class
For Masulipatam,
Ceded Districts,
Nagpore,
Vellore,

Salary Rupees 400 each per month.

4. A Deputy Paymaster
For Malabar and Canara,
Vizagapatam,

Salary, Rupees 300 each per month.

5. The Paymasterships of Penang and Tenasserim are abolished, and the duties transferred to the Presidency Paymaster, who will enter the Abstracts of the Troops in the Straits and Tenasserim in a Supplementary Account, for which purpose the vouchers will be forwarded to him to take their course of Audit on the responsibility of Commanding Officers and Heads of Departments.

6. The payments at Poonamallee (including Tripassore) to be conducted by an Officer to be designated "Deputy Paymaster and Staff Officer"; this will render the appointment of Fort Adjutant at Poonamallee unnecessary, it is therefore abolished from the 1st January 1835.

7. The Salary of the Deputy Paymaster and Staff Officer at Poonamallee to be as follows:

Deputy Paymaster.....	200	0	0
Staff Officer.....	50	0	0
Total per month Rs....	250	0	0

8. Deputy Paymasters will conduct their duties in the same manner precisely as other Paymasters.

9. Present incumbents to continue their designation and present Salaries, with the exception of that at Poonamallee, where two appointments are united, 250 Rupees per month to be in full of both, exclusive of Office Establishment.

10. No Officer under the rank of Captain to be eligible to the appointment of Paymaster.

11. No Officer under 10 years standing to be eligible to the appointment of Deputy Paymaster.

12. Payments at the Head Quarter Stations of Paymasters to be made as at present.

13. The whole of the Establishments at Out-Station Pay Offices abolished.—Paymasters will therefore under orders from the Accountant General supply the necessary funds for the payment of all demands at them, by Drafts on the Civil Treasuries payable to the Staff Officer, or where there is no Officer of that description to the Commanding Officer, or by remittances of Cash to the Staff or Commanding Officer, as circumstances may render expedient, under the following rules.

14. Staff Officers at Out Stations, or where there is no Officer of that description the Commanding Officer, will direct the parties drawing Abstracts to send them to him as soon after the 1st of each month as possible.

15. When the whole are collected the Staff or Commanding Officer will forward them with a Letter and List (as per Form A) to the Paymaster or Deputy Paymaster of the Division for examination as at present. The Eastern Settlements are an exception to this rule, a different provision being made for them by the 5th and 22d Paragraphs of these Orders.

16. The Paymaster or Deputy Paymaster after examining the Abstracts will supply their amount either by a Draft on the Civil Treasury in favour of, or by a Cash remittance to, the Staff or Commanding Officer, with a List (as per Form B) specifying the sum issuable to each person signing Abstracts.

17. The Staff or Commanding Officer will issue the amount to those concerned, who are to inscribe their names opposite the sums in the List, in testimony of their having received the amount drawn—the Staff or Commanding Officer will also write his name on the List and then return it to the Paymaster to remain on record in his Office.

18. When the money is forwarded to Out-stations by Officers in charge of Civil Treasuries in payment of Drafts on them in favor of a Staff or Commanding Officer, and duly received by the latter, he will pass his receipt for the amount at the back of the Draft and return it to the person presenting it.

19. A Corps or Detachment passing through an Out-station and requiring an advance of Cash, the Paymaster will provide for the same, on receiving from the Division Staff the usual notification of the approach of the Troops—the amount to be delivered to the Officer Commanding the Corps or Detachment, whose receipt will be a sufficient voucher for the Paymaster to take credit for the amount, to be adjusted in like manner with other authorized advances.

20. When Detachments, small Details or Individuals proceed from their Corps or Stations on duty, (not under the command of an European Officer,) it will be the duty of the Commanding or Staff Officer by whom they are detached, to ascertain that they will not require to draw pay until their arrival at a Head Quarter Station where there is a Pay Office—the same to be observed by Commanding and Staff Officers of Stations on the return of such Detachments, Details or Individuals to their Corps or Station, in order to prevent the necessity of applying for pay at a Station where there is no Pay Office.

21. In the event, however, of small Details or Individuals arriving at an Out-Station after the issue of Pay and having *one* month's Pay or more due to them (and being in want of cash), the Staff or Commanding Officer will make out an Abstract for the amount and forward it to the Paymaster, who will take measures for its discharge in the same manner as the regular Abstracts of the Station, but it is expected that, by the caution suggested in the preceding Paragraph, cases of this kind will seldom occur.

22. The Officers Commanding at Penang, Singapore, Malacca, Moulmein, Tavoy and Mergue, will draw bonafide the amount required for the payment of the Troops and Departments (belonging to this Establishment) at those Stations respectively, from the Civil Authority on receipt to be adjusted through the Accountant General with the Paymaster at the Presidency. Commanding Officers will be personally responsible for not taking up more cash on receipt than the Abstracts amount to, as well as for their accuracy generally, and for not delaying their transmission to the Presidency Paymaster, whose duty it will be to advise the local authority of the amount of funds required on account of the Military, and as there are no incidental charges at the Eastern Settlements there can be no unforeseen increase; when a reinforcement goes from the Coast advice can be sent by the same opportunity.

23. It will be the duty of Paymasters and Deputy Paymasters to give early intimation to Officers in charge of Civil Treasuries of the probable amount of their Drafts in favor of Staff or Commanding Officers, or Cash that will be required at the several Military Stations, in order that the amount may be forwarded or delivered to the Staff or Commanding Officer at the usual periods in each month.

24. The Accountant General will transmit such subsidiary instructions to Civil Officers, from whose Treasuries funds for the payment of the Army are issued, and also to Paymasters, as will ensure the fullest effect to the foregoing Orders.

25. The change will cause some additional duty and a little responsibility on Commanding Officers at Out-Stations, but the latter will always be of short duration, and entirely cease after the names of the parties are affixed to the lists or receipts for the amount at their respective Stations.

26. The Accounts denominated the *detailed Disbursements of Paymasters*, as at present rendered, to be discontinued, and an Abstract Account Disbursements as per annexed Form C substituted.

27. Musters will continue to be taken as heretofore, affirmed by the Mustering Officer, but the Nominal Rolls instead of being forwarded as heretofore with Pay Abstracts, will remain at the Head Quarters of Corps or stations for reference when necessary. An Abstract Muster Roll as per annexed Form D, will be substituted to check the Pay Abstract.—The Abstract Muster Roll to be considered sufficient for drawing the pay of *all present*, the *names* of *absentees* only being inserted.

28. The Abstract Muster Roll and names of absentees to be written on the 3d side of the sheet of paper (the abstract for Garrison allowances being on the 1st side) and Field Allowance (when the Troops are in receipt of that allowance) on the 2d side, to prevent the necessity of having *two* sheets, as at present, for each Troop, Company or Detail.

29. The Abstracts of General Officers to include their Personal Staff.

30. Staff Officers of Garrisons and Cantonments, and where there are no Officers of that description, the Commanding Officer, will include in *one* Abstract their own Staff allowances, the Pay and Staff allowances of the Garrison and Cantonment Non-commissioned Staff, including the Medical Department, if no Surgeon or Assistant Surgeon is present. The pay of European or Native Troops on furlough or sick in hospital, or small details, not under a European Officer, to be as far as practicable drawn in one Abstract under the heads of the Corps or Departments to which they belong, to diminish the number of vouchers.

31. In like manner the pay of the Commanding Officer and Staff, European and Native (Commissioned as well as Non-commissioned) of every Regiment, to be drawn in *one* Abstract by the Adjutant under the countersignature of the Commanding Officer.

32. Garrison pay and allowances for each rank to be hereafter drawn in one consolidated sum, *the same for any month*, being an average struck upon the year with no other difference than dropping fractions in Pice, where such occur; Paymasters will therefore be guided by the annexed new Pay Tables (E, F, G,) prepared for the occasion.

33. The object of consolidation being exclusively to simplify forms and to reduce the number of entries in accounts, it is distinctly to be understood that the aggregate amount is constituted of Pay, Batta, Gratuity, House, Tent, or Horse Allowance, which will be calculated according to their respective rates whenever a forfeit of any (of these allowances) may be necessary.

34. The amount of Garrison pay and allowance as now consolidated to be invariably included in the Peace Abstract as well as in the Field as at a full Batta Station. Field Batta to be charged in the Field Abstract *deducting* House rent, by which mode the actual extra expense to the State will be correctly exhibited.

35. His Majesty's Regiments having each a Paymaster and being drawn for in one Abstract subject to other variations in cases of increased rates of subsistence, will for the present continue to be drawn as heretofore.

36. Printed Abstracts to be used in future as per accompanying Forms Nos. 1, 2, 3, 4, to be obtained from Paymasters of Divisions on payment of the original cost.

37. A new Pay Code (adapted to the several changes) will be published as soon as circumstances will admit.

MEMORANDUM.

1. The calculation of Pay and Allowances of all European Commissioned ranks in the several branches of the Army is the same for any month, being on the principle of taking the whole on an average of 12 months—broken periods to be drawn for under the rules directed by the G. O. G. 23d December 1817, Paragraph 7.

2. Lieutenant Colonels and Majors when holding certain Staff Appointments not being entitled to Horse allowance, will omit it accordingly in the Regimental Abstract—for instance the aggregate amount of Pay and Garrison allowance of a Major of Infantry is Rupees 640 10 per Month, but if he is on the Staff he will only draw Rupees 610 10 0 ; if Horse allowance is attached to the appointment it will be drawn in the Staff Abstract.

3. Officers under the rank of Field Officer when Commanding a Corps are entitled to Horse allowance, to be included with their Regimental Command allowance.

4. Cavalry Officers appointed to permanent Staff situations, or removed from the performance of Regimental duty consequent on holding any situation to which an Officer of another branch of the Service is eligible, not entitled to Regimental Horse allowance, but receive the same Staff Horse allowance payable under the existing regulations to Infantry Officers holding similar appointments. G. O. G. 6th May 1831.

5. Officers of European Infantry serving Regimentally with their Corps within the limits of the Centre Division of the Army, at the Depot at Poonamallee, at St. Thomas's Mount, and within the Presidency command, receive half Tent allowance only. G. O. G. 26th July 1825.

6. The sum of one shilling per diem being included for a Horse in the Pay of Veterinary Surgeons, a corresponding deduction is made from their Regimental Horse allowance.

7. Riding Masters allowed House Rent in Garrison and Tent allowance when in the Field or marching.

The Court having most maturely weighed and considered the whole of the Evidence adduced in support of the Prosecution, as well as what the Prisoner Lieutenant David Bogue Humphreys of the Twenty-third, or Wallajahbad Light Infantry hath advanced in his Defence, and the Evidence in support thereof, is of opinion.

Finding on the First Instance of Charge.—That the Prisoner is Guilty of the First Instance of Charge.

Finding on the Second Instance of Charge.—That the Prisoner is Guilty of the Second Instance of Charge, with exception of the man's having been gagged "from seven o'clock that evening until eight o'clock the next morning," inasmuch as the gag appears to have been out of the man's mouth in the early part of the night.

Finding on the Third Instance of Charge.—That the Prisoner is Guilty of the Third Instance of Charge, with the exception of the word "violently."

Finding on the Fourth Instance of Charge.—That the Prisoner is Guilty of the Fourth Instance of Charge.

Finding on the Fifth Instance of Charge.—That the Prisoner is Guilty of the Fifth Instance of Charge.

Sentence.—The Court having found the Prisoner Guilty to the extent above stated, doth Sentence him, the said Lieutenant Davis Bogue Humphreys of the Twenty-third or Wallajahbad Light Infantry, to be placed one Step lower in his Regiment, namely, next below Lieutenant John Thomas Philpot of the same Regiment, and his Commission to bear date one day after that of the aforesaid Lieutenant John Thomas Philpot.

O. by Government dated the 9th May 1826 shall be furnished to the Non-Commissioned Officers and Privates entered therein, by Heads of Departments or Offices, or Officers Commanding Regiments, as the case may be, in order that they may be enabled to transmit them to their Families at home, who have to receive the amount from the Honorable the Court of Directors.

2d. Heads of Departments and Offices will transmit in one Quarterly Roll, the lists of the bonâ fide savings of their respective Departments and Offices duly certified as such, with the receipt of the Division, Station or Field Paymasters, written at the foot thereof, to the Accountant General by the dates prescribed in Para 3d of the G. O. by Government above referred to, for the transmission of the list by Officers Commanding Regiments.

3d.
