GENERAL ORDERS,

ADJUTANT GENERAL'S OFFICE;

FORT ST. GEORGE, 11TH JULY 1825.

G. O. By Lieutenant General Bowser,

Commanding the Army in Chief.

The following Extracts from General Orders issued by His Excellency The Commander in Chief in India, are by order of the Lieutenant General published to the Army, serving under this Presidency.

Extract from the Proceedings of an European General Court Martial assembled at Fort William, on Monday the 30th of May 1825, at 10 o'clock A. M., in obedience to General Orders of the 25th Instant, and held by virtue of a Warrant under the Hand and Seal of His Excellency General the Honorable Sir Edward Paget, G C. B Commander in Chief of all the Forces in India, &c. &c. &c. under date the 28th of May 1825, for the trial of Lieutenant R. A. M'Naghten, Deputy Judge Advocate General.

President.—Major General R. A Dalzell.
Judge Advocate.—Major J. Bryant, Judge Advocate General.

Charge.—Lieutenant MacNaghten, Deputy Judge Advocate General of the Presidency Division of the Army, placed in arrest by order of His Excellency The Honorable the Commander in Chief, on the following charges.

1st. For having, at Calcutta on the 20th May 1825, sent a challenge to fight a duel to Captain Kennelly of His Majesty's 87th Regiment.

2d. For highly improper and unofficerslike conduct, in having on the same day, sent an insulting letter to Captain Kennelly, after Captain Kennelly had refused to meet him, and had informed him, that, if he, Lieutenant MacNaghten, wrote again on the affair, the letter would be laid before the Commander in Chief, such being the unanimous opinion of his (Captain Kennelly's) brother Officers as to the line of conduct he should adopt.

By order of His Excellency The Commander in Chief.

ADJUTANT GENERAL'S OFFICE,
PRESIDENCY OF FORT WILLIAM,
25th May 1825.

(Signed) W. L. WATSON,
Adjutant General of the Army.

Sentence.—The Court having maturely considered the evidence on the prosecution, and what the Prisoner Lieutenant MacNaghten has urged in his defence, are of opinion, on the 1st charge, that he is Guilty.

The Court are also of opinion, on the 2d Charge, that Lieutenant MacNaghten is guilty to the extent of highly improper conduct, in having on the same day, sent an insulting letter to Captain Kennelly, after Captain Kennelly had refused to meet him, and had informed him that, if he, Lieutenant MacNaghten, wrote again on the affair, the letter would be laid before the Commander in Chief, such being the unanimous opinion of his (Captain Kennelly's) brother Officers, as to the line of conduct he should adopt.

The Court adjudge the Prisoner, Lieutenant MacNaghten, to be cashiered.

The Court having performed their duty in deciding on the case submitted to their judgment, cannot close their proceedings, without recording their feeling of disapprobation of the gross invective against Captain Kennelly, and the indecorous observations upon the decision of a former Court Martial which the Prisoner has allowed himself in his defence, and which they should have considered it their duty to have checked at the time, if they

had not felt that, in vindicating himself against a charge the consequence of which was certain, the prisoner had a strong claim to their forbearance.

(Signed) R. A. DALZELL, Major Genl. President.

Approved.

(Signed) E. PAGET, Genl.
Commander in Chief in India.

A true extract.

(Signed) F. CHAMPAGNE,
Military Secretary.

The Commander in Chief entirely approves the Sentence of the General Court Martial; he, nevertheless, after the most mature and deliberate consideration of all the circumstances of the case, is so much inclined to believe, that the troubles and embarrassments in which Lieutenant MacNaghten has involved himself and others, are more attributable to great error in judgment, than to any other cause, that he is pleased to remit the Penalty awarded by the Court.

After the proofs, however, which Lieutenant MacNaghten has afforded, of the total absence of that calm and dispassionate judgment, so peculiarly requisite in an Officer holding the Staff Appointment of a Deputy Judge Advocate General, and especially evinced in the instances of "the gross invective against Captain "Kennelly, and the indecorous observations upon the decision of a former Court "Martial" so justly reprobated by the Court whose proceedings are now under review, The Commander in Chief will consider it his duty to recommend that he may be removed from that office.

In the mean time His Excellency is pleased to direct that Lieutenant MacNaghten may be released from arrest and return to his Regimental duty.

By Command.

Military Secretary.

Reluctant as Lieutenant General Bowser, Commanding the Army in Chief feels, to confirm a capital Sentence, in an Army whose general conduct has been marked by such orderly and exemplary behaviour; yet, in the present instance, where the crime of "Mutiny and Murder" has been committed upon the person of "a Superior Officer in the execution of his duty," the Lieutenant General owes it to the laws of his Country, as well as to a due support of discipline and subordination, to confirm the Sentence; that, the just execution of the law may hold forth an example, to deter others, from indulging in malice and revenge, against a fellow creature placed in authority over them.

The Officer Commanding the Army in Chief directs, that the Sentence awarded Private Appanah of the 12th Regiment N. I. shall be carried into execution on the morning of Monday the 8th of August next, in front of the Troops at Wallajahbad, agreeable to detailed instructions which will be furnished to the Officer Commanding at that Station, direct from Head Quarters.

Lieutenant General Bowser, Commanding the Army in Chief, with a view further to impress upon the minds of the Soldiery under his Command, the awful example he has been compelled to order, in the execution of Private Appanah of the 12th Regiment N. I. is pleased to direct, that every Corps and Detachment of the Army, shall be under Arms from 6 till 7 o'clock in the morning of the

8th August 1825, the period at which the Sentence is to be carried into execution, when the above Crime, Sentence and General Order shall be distinctly read, (and interpreted to the Native Troops) three times to every Corps, and Detachment in front of the Parade.

Lieutenant General Bowser, Commanding the Army in Chief, has much satisfaction in publishing to the Army the following Extracts from the Proceedings of a Board of Officers assembled at Secunderabad for the examination of Officers in the Hindoostanee Language.

"Lieutenant Osborne of the 19th Regiment N. I. was required to translate from English into Hindoostanee, and from Hindoostanee into English, "without having recourse to a Dictionary, or any other book of reference.

"The specimen selected for translation into Hindoostanee, consisted of "an English letter on business; an original Hindoostanee letter, and a portion of "the Bagh-o-Bahar were given for translation into English.

"Lieutenant Osborne in his translation into Hindoostanee, has failed "to express correctly the sense of one sentence; with this exception, his exercise "is performed with sufficient accuracy. In his translation from Hindoostanee, "Lieutenant Osborne appears not to have clearly understood the sense of a few "words, but in other respects these exercises were very correctly executed.

"Lieutenant Osborne reads, and converses with fluency and ease, writes "a beautiful hand, and appears to the Committee fully qualified to perform the "duties of a Regimental Staff Officer."

FORT ST GEORGE, 29th *July* 1825.

G. O. BY GOVERNMENT.

The Honorable the Governor in Council deems it expedient to rescind the 56th Para. Page 310 of the Code of Pay Regulations by which an allowance of Rupees 17½ per Month was authorized to be drawn by Adjutants of Native Corps, when no Serjeant Major should be attached. FORT ST. GEORGE, 29th *July* 1825.

G. O. BY GOVERNMENT.

On the 20th May 1806 the pension of 52½ pagodas per month being the amount of the allowance of the celebrated Seid Ibrahim, which had lapsed by the death of Seid Bahader, his brother was continued to Seid Guffoor, his nephew. Seid Guffoor died in November 1814, and a minute inquiry has been instituted for the purpose of ascertaining the person entitled to succeed to the pension. The result of the enquiry has satisfactorily established the Seid Mahomed, the son of Seid Jumal and nephew of Seid Ibrahim, as nearest heir to that Commandant and as such ought to enjoy the pension which was granted as a memorial of his fidelity to the Government, and to be put in charge of the Tomb erected at Chinnapatam, the place of his burial for the same purpose. The Honorable the Governor in Council has accordingly resolved that the Seid Mahomed shall receive the pension of 52½ pagodas per mensem from the 1st of May last, and that the arrears which have accumulated since the death of Seid Guffoor shall be applied to the repair of Seid Ibrahim's Tomb and the erection of a convenient building for Travellers and Pilgrims. Any balance which may remain will be paid to Seid Mahomed, and the fixed allowance of three pagodas each per mensem, will continue to be paid for two fakeers and also the allowance for two lamps at the Tomb.

The Governor in Council, is pleased to direct, that this G. O. shall be particularly explained to the Native Officers, Non-Commissioned Officers and Sepoys of the Army.

By order of the Honorable the Governor in Council.

(Signed) D. HILL,
CHIEF SECRETARY.

(Signed) LETCHMAN SING, his X mark, Subadar Major 5th Regt. N. I. and President of the Court.

Confirmed.

(Signed) THOMAS BOWSER, Lieut. Genl. Commanding in Chief.

Lieutenant General Bowser regrets that the obligation of his public duty obliges him to confirm the above sentences. The characters and past services of the Subadars, Shaik Homed and Ackbar Ally of the 23d Regiment Light Infantry, must, under any other circumstances, have pleaded in their favor; but, when an Officer on duty, is convicted of a breach of the "trust and confidence" reposed in him, it is due to the maintenance of good order and discipline, that he should be held up as an example, of the penalty, which such unworthy and unofficerlike conduct so justly merits.

Subadars Shaik Homed and Ackbar Ally are to be struck off the strength of the 23d Regiment Light Infantry, from the date of the publication of this Order, at the Head Quarters of the Regiment.

It appearing in evidence on the records of the above Courts Martial, and the Court of Enquiry previously assembled to investigate the transactions, which gave rise to the charges against Subadars Shaik Homed and Ackbar Ally, that

Havildar Shaik Ally,
" Veerabhudrah,
Naigue Shaik Emaun,
} B. Company 23d Light Infantry,

and

Havildar Shaik Homed,
" Peermalloo,
Naigue Mahomed Hussain,
} G. Company 23d Light Infantry,

were accessaries to the disgraceful breach of duty and trust, and not only actively aided and abetted, but persuaded the Subadars to be guilty of the crimes on which they were tried—Lieutenant General Bowser directs, that the above named Havildars and Naigues be each reduced to the rank and pay of a Private Sentinel from the date of the publication of this Order at the Head Quarters of the 23d Light Infantry.

In order further to mark the delinquency of the Men of the 23d Regiment Light Infantry, who were so generally engaged in the above disgraceful transaction, the Lieutenant General Commanding the Army in Chief is pleased to direct, that the promotions, vice Subadars Shaik Homed and Ackbar Ally, shall not be given in the Regiment, but that the two Senior Jemadars of the 26th Regiment, which distinguished itself so honorably at Kemmendine, be promoted to Subadars in the 23d Regiment Light Infantry.—The Lieutenant General is further pleased to order, that the promotions in the 23d Regiment Light Infantry, consequent to the reduction of the Havildars and Naigues in the B and G Companies, be made from the other Companies of the Corps.

Lieutenant General Bowser trusts, that these examples will prevent the recurrence of plunder and breach of trust, which to the credit of the Service he records, have as seldom occurred in this, as in any Army.

The above Order, together with the Crimes, finding and Sentence of the Court, are to be read at the Head Quarters of each Regiment at three successive Parades, and to be particularly explained to all Native Regiments.

23d Regiment Light Infantry.

Jemadar Shaik Emaum from the 26th Regiment to be Subadar, vice Shaik Homed discharged ; Jemadar Syed Nubby from the 26th Regiment to be Subadar, vice Ackbar Ally discharged, date of Commissions to be settled hereafter.

T. H. S. CONWAY,
Adjutant General of the Army.

Lieutenant General Bowser, Commanding the Army in Chief, has much

satisfaction in publishing to the Army the following Extracts from the proceedings of a Board of Officers, assembled at Belgaum, for the examination of Officers in the Hindoostanee Language.

"Lieutenant Bainbridge of the 23d Regiment Light Infantry, was first "required to read and render a written Translation in English, of a Hindoostanee Fable, and subsequently one of a much more difficult description selected from the Gulistun, all of which he effected with expedition, evincing great "familiarity with the character, idiom, and construction of the Language.

"A Hindoostanee letter, composed for the occasion, purporting to have "been written by a person sent secretly to obtain Intelligence regarding the proceedings of an enemy—this he was required to read and explain verbally in "English, which he did tolerably well, but not with a success equal to his written "Translations.

"The Preamble, Crime, and Sentence of a Native General Court Martial he was next required to translate into Hindoostanee, and write in "the Persian character—he performed it in a short time, written in a free good "hand; there were errors but of a minor description, and considering that he "had not a Dictionary or aid of any kind, we are of opinion the result entitles "him to great credit.

"In the colloquial part which closed the examination, Lieutenant Bainbridge was very successful, and did not at all hesitate to give immediate replies "in good language and style to the many questions which were put to him on "various subjects.

The "mode in which the latter exercise was performed shews that Lieutenant Fitzge- "rald has paid the strictest attention to the grammar and to the idiom of the lan- "guage.

GENERAL ORDERS,
BY LIEUTENANT GENERAL BOWSER,
COMMANDING THE ARMY IN CHIEF.

HEAD QUARTERS OF THE ARMY,

BANGALORE, *30th September* 1825.

The following Extract from the Confirmed Proceedings of an European General Court Martial, assembled at Secunderabad on Saturday the 27th day of August 1825, by order of Colonel Thomas Boles, Commanding the Hyderabad Subsidiary Force, by virtue of a Warrant of Authority vested in him by Lieutenant General Thomas Bowser, Commanding the Army in Chief, is published to the Army.

Captain W. Binny, of the 19th Regiment N. I. placed in arrest by me for conduct subversive of military discipline and authority.

Charge 1st.—In having forwarded a Letter to the address of the Assistant Adjutant General Hyderabad Subsidiary Force, dated 7th July 1825, complaining of me, as his immediate Commanding Officer in terms highly disrespectful and insubordinate.

Charge 2d.—In approving and Confirming Proceedings of Regimental Courts Martial, in the month of June, or July 1825, while in the temporary charge of the 19th Regiment N. I. irregularly and illegally conducted, and by such conduct evincing a gross neglect of his most solemn duty, and a total disregard of justice; the same being in the last instance in defiance of the injunctions contained in the Adjutant General's Letter of the 21st of June, published to the Division on the 28th of June 1825.

Charge 3d.—For contumaciously persisting in his very disrespectful, and improper conduct in totally disregarding my forbearance in his letter of the 8th Instant, in reply to one I directed the Adjutant of the Regiment to forward communicating to him (Captain W. Binny) my opinion of his highly disrespectful and insubordinate conduct, allowing him the option of withdrawing his letter of the 7th Instant, at the same time, explaining to him the reasons which precluded the possibility of my allowing the sentences of the Courts Martial to be carried into effect.

(Signed) G. JACKSON, Major,
Commanding 19th Regiment N. I.

By Order.
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

Finding and Sentence.—The Court acquits the Prisoner of the 1st Charge.

With regard to the 2d Charge, the Court finds the prisoner Captain W. Binny, 19th Regiment N. I. guilty of approving and confirming proceedings of Regimental Courts Martial in the months of June or July 1825, while in the temporary charge of the 19th Regiment N. I. irregularly and illegally conducted, and of evincing by such conduct a neglect of his duty and a disregard of justice, the same being in the last instance an inattention to the injunctions contained in the Adjutant General's letter of the 21st of June, published to the Division on the 28th of June 1825, but the Court acquits the prisoner of every other part of the Charge.

The Court acquits the Prisoner of the 3d Charge.

The instances in the 2d Charge in which the Court has found the Prisoner guilty as above exhibited, being subversive of military discipline and authority, the Court does by virtue of the Articles of War, sentence him, Captain W.

Binny, 19th Regiment N. I. to be reprimanded in such manner as the Officer Commanding the Army in Chief may be pleased to direct.

2d Regiment Light Cavalry,

Associated as Lieutenant General Bowser has been with the Troops composing the Garrison and Cantonment of Bangalore, during the long period of his Command of the Mysore Division of the Army, he naturally feels a peculiar interest in the high character the Corps have ever maintained, for regularity of conduct, military feeling and discipline, and he takes leave of them in the full confidence, that Lieutenant Colonel Boyse, C. B. Commanding the Station, supported as he is by zealous and able Officers, will maintain the interior economy of Corps and promote their discipline, as a collective Body, in field movements and discipline.

The orderly, sober and regular conduct of the Soldiers, warrants the Lieutenant General in indulging himself, by extending an act of grace to all Soldiers, European and Native belonging to the Cantonment who are now in confinement, and as none are so, for capital offences, Lieutenant General Bowser directs the release of every individual, whether in General or Regimental confinement, and that they be pardoned and return to their duty.

Jemadar Seetaram of the Grenadier Company 8th Regiment Native Infantry, placed in arrest by me on the following Charges.

Charge 1*st*.—For unofficer-like, unwarrantable, and highly irregular and disrespectful conduct, in lending money at exorbitant interest to men of the Regiment, when he the said Jemadar was perfectly aware of the impropriety of such conduct, having been privately and seriously warned against the offence on a former occasion.

Charge 2*d*.—For disobedience of orders in lending money in the Regiment after it had been prohibited, not only by repeated explanations on the Parade, but also pasted up in the various languages at the several Barracks the Corps has occupied at different Stations, viz. Bangalore, Chittledroog, Nagpore, and Jaulnah for the last five years; threatening those who should be guilty of such misconduct with a Court Martial; such misbehaviour tending to subvert the discipline and good order of the Regiment.

Charge 3*d*.—For unofficer-like and disgraceful conduct, in lending money at interest thro' the medium of his Company Writer, thereby lessening his own authority and leading the men into extravagance and debt, from which they can never extricate themselves, in consequence appearing slovenly, dirty, and

improperly dressed on duty, for want of means to provide themselves with necessaries.

(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

Finding.—The Court having maturely weighed and considered the whole of the evidence for the prosecution together with what the Prisoner has brought forward in his defence, is of the following opinion:

With regard to the 1st Charge that the Prisoner is not guilty, it not having been sufficiently proved against him.

With regard to the 2d Charge, that the Prisoner is guilty.

With regard to the 3d Charge, that the Prisoner is guilty so far, "For unofficer-like conduct in lending money at interest thro' the medium of the Company Writer," but acquit him of all and every part of the remainder of the charge.

Sentence.—The Court having found the Prisoner Jemadar Seetaram, 8th Regiment N. I. guilty of the 2d and part of the 3d Charges preferred against him, the Court do adjudge him the said Jemadar Seetaram to be suspended from Rank and Pay for the period of two (2) calendar months.

(Signed) JOHN WRIGHT, Lt. Bt. Capt. 40th Regt. N. I.
Interpreter to the Court.

Remarks.—The Court cannot close their proceedings without remarking that part of the Charges refer to a period of upwards of three and four years ago, at which time the Prisoner was a Havildar in the Regiment, and further that the complainant Sepoy Veeragoo appears to have acted throughout more from malice than a correct motive.

G. O. BY GOVERNMENT.

The Honorable the Governor in Council is pleased to direct the publication of the following revised rules, for the conduct of the duties of the Eye Infirmary of this Presidency.

1st. The Medical charge of the Eye Infirmary is vested in the Honorable Company's Oculist, and its duties will be conducted under the General Supervision of the Superintending Surgeon of the Presidency and the Medical Board.

2d. The Eye Infirmary will be open to the visits of all professional men who may wish to avail themselves of that opportunity of observing the diseases of the Eye. The Oculist will keep regular and comprehensive journals of the cases of the patients treated by him in the Infirmary, which journals shall be open to the inspection of the professional visitors. It will be the especial duty of the Oculist to afford every facility to those who may seek information at the Infirmary.

4th. In order to afford Medical Officers at the Presidency an opportunity of witnessing Opthalmic Surgery one day in each week is fixed, expressly for the purpose of operations, on which occasions their attendance is invited. The operation day is Saturday at 10 o'clock A. M. The usual morning hour of visiting the patients is half past six, to which visitors are expected to conform. The Oculist will likewise give his advice and assistance in any public or charitable Institution at the Presidency when applied to by the Officers in charge, or when instructed to do so by his Superior Medical Officers.

5th. Assistant Surgeons recently arrived from Europe, who during their probationary course under the General Orders of the 5th June 1824 may be stationed at the Presidency, are ordered to pay every possible attention to the practice in the Eye Infirmary. They are to attend there frequently, and especially on the day set apart for operations. The Oculist will be particular in noting in his Monthly Returns, the regularity with which these orders are fulfilled by the Assistant Surgeons.

6th. Inferior Medical Servants attached to Corps and Departments at the Presidency, are likewise to be directed to attend the Eye Infirmary from time to time, in order to be made acquainted with such part of the treatment of disease of the Eye as belongs to their situation. The Oculist will also consider it to be an important part of his duty to encourage native practitioners to attend him, for the purpose of acquiring a knowledge of diseases of the Eye and the best modes of treating them, and he will carefully and kindly explain to them the principles on which he acts, as far as they may be capable of comprehending them.

7th. A First Dresser, and two Medical Pupils will form the public Establishment of Medical Servants attached to the Eye Infirmary—All other Servants such as Native Assistants, Coolies, Cooks, Toties, Watermen, &c. are to be found by the Oculist from the allowances hereafter mentioned.

8th. The Eye Infirmary is open for the reception of European and Native Soldiers, as well as for Europeans and Natives not belonging to the Public Service; Military patients, European and Native, will be admissible into the Infirmary on the requisitions of their Commanding Officers founded on Medical Certificates—Europeans not in the Service, and Country born persons who are entitled to be treated in other Hospitals as Europeans will be admissible on

requisitions signed by the Town Major Fort St. George founded on the certificate of Medical Officers in charge of Garrisons of Districts. Natives will be admissible at the discretion, and on the responsibility of the Oculist.

9*th*. A building is provided for the Eye Infirmary at the expense of Government, in which is included a suitable residence for the Oculist, an operation room, a consultation room, and a dispensary are to be set apart within the walls of the main building. The accommodation for the patients, and for the servants of the Infirmary will be provided in the detached buildings.

10*th*. Each European and Country born patient in the Eye Infirmary, shall be furnished with an Hospital cot, bedding and clothing, according to the practice of other European Hospitals, and they will be dieted in like manner. The Native Soldier will be furnished with a cot, mat and pillow, but he will clothe and diet himself. The Civil Native Patients in Hospital, will each have a cot, cumley and a small pillow.

11*th*. The allowances to be drawn by the Oculist are as follows. The Regimental pay and allowances of his rank according to existing Regulations, and a Personal salary of 525 Rupees per Mensem. The Surgeon will likewise draw a monthly allowance of Rupees 120, for the provision of servants, country medicines, cots, and bedding, and generally for whatever is usually provided by Surgeons drawing an allowance of that nature.

12*th*. For each European and Country-born or half Cast, treated in hospital, the Oculist will draw the usual allowance of Surgeons of Hospitals, viz. (8 Fanams) Annas 9 Pice $11\frac{42}{100}$ per diem, and for which he will furnish every necessary article, of diet, clothing, cots, bedding, and generally, whatever is furnished by the Surgeons of European Hospitals for the use of the Sick. This allowance will be payable on the principles which obtain in the case of the Garrison Hospital Fort St. George, with respect to Europeans whether belonging to the Army or not belonging to it. For every Native Soldier he will draw the usual allowance granted to Garrison Surgeons, namely (40 Cash) Pice $7\frac{42}{100}$ per diem; for every Native Patient, the Oculist will draw 3 Annas per diem, for victualling them, and for providing mats and cumlies; but this allowance is restricted to those patients who remain within the Infirmary, and is not allowed for out-patients. In order however to assist out-patients, who may be thrown off their usual labour during treatment, a daily batta of 1 Anna is allowed to be drawn, and paid to them.

13*th*. The Oculist will keep the prescribed registers and other hospital books and furnish monthly reports to the Medical Board, as at present; and an annual report and statement of expenses for submission to Government and eventual transmission to the Honorable the Court of Directors.

14*th*. European Medicines and Instruments, and an operating Chair and Stool are provided at the public expense for the use of the Eye Infirmary.

15*th*. It is of much importance that European and Native Soldiers afflicted with diseases of the Eye which have resisted the curative means employed by their respective Medical Officers and who may consequently be deemed proper objects for treatment in an Eye Infirmary, should be transferred to the Institution in proper time. On the one hand they should first obtain all the benefit to be expected from active treatment in their own hospitals at the commencement of the disease. On the other hand, their transfer should not be delayed too long lest the disease become altogether incurable. Medical Officers will be guided by their judgment in this respect, and will accordingly be most careful to bring to the notice of their respective Commanding Officers, every case of disease of the Eye amongst the men under their charge which they may consider to require the aid of a professed Oculist. Commanding Officers are enjoined and authorized to adopt immediate measures for the safe transport of the patient from the station where he may be, to the Eye Infirmary at the Presidency.

16*th*. The preceding rule is to be equally applicable to men of His Majesty's Regiments as to those of the Honorable Company's Service.

17*th*. It will be the special duty of Invaliding, &c. Committees to recommend all men for transfer to the Eye Infirmary respecting whose cases there may be any doubt. The Committee in such instances will however dispose of the case conditionally, stating in a remark "Subject to the result of examination and treatment

by the Oculist"—The Oculist when required, is to attend at General Invaliding Committees at Poonamallee and Fort St. George to give his opinion on any Opthalmic cases which may be referred to him by the Committee. It is particularly enjoined that a very full account of the Medical treatment of each case of Opthalmic disease coming before an Invaliding Committee, or recommended to be sent to the Eye Infirmary shall accompany the Individual for the information of the Committee and eventually of the Oculist.

The Honorable the Governor in Council is pleased to publish in General Orders the following report of a Committee appointed to ascertain the proficiency of Lieutenant W. G. T. Lewis of the 46th Regiment of Native Infantry, of Lieutenant C. M. Palmer of the 14th Regiment of Native Infantry and of Lieutenant G. Perks of the 23d Regiment of Light Infantry in the Hindoostanee Language.

To

The Secretary to Government in the Military Department.

Sir,

We have the honour to report for the information of the Government that

in conformity with the instructions contained in your letters of the 7th and 11th Instant, we have examined Lieutenant Lewis of the 46th Regiment N. I., Lieutenant Palmer of the 14th Regiment N. I. and Lieutenant Perks of the Wallajahbad Light Infantry with regard to their proficiency in the Hindoostanee language, and that the result has been most creditable to the exertions of these three Gentlemen.

The usual exercises were submitted to them all and we were not able to detect in their several Hindoostanee Versions a single error of either Orthography or Grammar, whilst their style of writing though essentially differing from one another was each commendable in its particular way. In the translation from Hindoostanee into English one word only was incorrectly rendered in the Version of Lieutenant Palmer, a single Parenthesis in that of Lieutenant Perks, whilst that of Lieutenant Lewis was free from error.

In the colloquial part of the examination, which was of a more extended nature than usual, the three Gentlemen were engaged, in a desultory conversation with the Moonshee, and acquitted themselves in a manner entirely satisfactory, the pronunciation of all three being particularly good whilst the language of both Mr. Lewis and Mr. Palmer was distinguished by great fluency and command of idiom; Lieutenant Lewis has the more merit for his acquisitions in this important part of the language, that they have been principally obtained in Europe under the tuition of Mr. Gilchrist the Orientalist.

We have great pleasure in concluding our Report to state our opinion, that these Officers are fully qualified to perform the office of either Translators or Interpreters in any situation in which such duties may be required from them.

We have, &c. &c.

GENERAL ORDERS,

HEAD QUARTERS:

CHOULTRY PLAIN, *28th December* 1825.

The Honorable the Governor in Council having addressed the subjoined Order to Lieutenant General Bowser, Commanding the Army in Chief, to be published to the Army, it is accordingly published in Military Orders.

FORT ST. GEORGE, *23d September* 1825.

G. O. BY GOVERNMENT.

Para. 1. The Honorable the Governor in Council having resolved that Eight Companies or Karkanahs of Drivers and Draught Bullocks, consisting of one Darogah, four Chowdries, eighty Drivers, and one hundred and sixty Draught Bullocks each, shall be raised for the service of the European Foot Artillery under this Presidency, has been pleased to publish the following regulations for general information.

2. The Drivers to be raised and organized under instructions which the Commandant of Artillery will receive from Head Quarters; their height not being under 5 feet 4 inches, nor their age below 18 nor above 28 years. When the Establishment has been completed, recruits should not be entertained who are above 22 years of age.

3. The Drivers and Cattle to be under the general controul of the Senior Officer of Artillery wherever they may be stationed; but in special charge of the Officers Commanding the Companies of Foot Artillery, to which they may be attached.

4. The pay and batta of the Artillery Drivers are fixed as follows.

	Monthly Pay.	Daily Batta.		
	Rups.	A.	P.	
1 Darogah	17 0	2	5	87
1 Chowdry	12 0	1	10	40
1 Driver	6 8	1	2	93

Batta to be allowed in the Field, at Field Stations, or when marching. An allowance of Rupees 3 8 per mensem, is allowed to each Company for Stationary; also an allowance of Rupees 10 0 0 per mensem, for a Non-commissioned Officer, for the purpose of assisting in superintending the Cattle, and the receipts and issues of grain and forage

5. The Drivers to be paid and mustered, and their Registers, Records and accounts to be kept according to the forms and system of the Native Troops; the Officer to whose Company they may be attached being charged with the duty of drawing their pay on abstract, together with the further allowances specified in the 4th paragraph of this regulation.

6. The Drivers to be subject to the rules of Military Discipline, and the articles of war; and are not to be discharged from the service but under authority from Head Quarters.

7. The Drivers to be allowed medical aid; and to benefit by the Regulations for the issue of grain or compensation money and family certificates the same as the regular troops. Those who may be disabled in the execution of their duty or wounded in action, to be eligible to the pension list; and the families of drivers killed in action, will be entitled to pensions, the same as the heirs of sepoys.

8. The Companies or Karkanahs of Cattle, consisting in the first instance of Bullocks of all serviceable ages from six upwards, to be formed and delivered to the Artillery by the Commissariat, and to be annually recruited by Bullocks, not younger than six years of age, from the Breeding Establishment in Mysore; on the requisition of Head Quarters, through the Quarter Master General of the Army.

9. The recruit-Cattle supplied from that Establishment for the service of the Artillery Companies, shall be inspected at Seringapatam, by Committees of Officers; the survey reports to contain a general description of the cast, figure, bone, strength and fitness of the animal; and each Bullock when passed shall be branded in the presence of the Committee on the off haunch with the two final figures of the year, and the letter A. (Artillery.) If there be any Artillery Officers at Seringapatam, their services will be required on such Committees.

10. No standard height is yet fixed for the Bullocks; and the present allotment to all descriptions of Ordnance and Ordnance Carriages, shall continue in force, until further orders.

11. When Bullocks become unfit for the service either from age, accident, or incurable distemper, they will be cast on regular survey, the proceedings being forwarded to Head Quarters thro' the Quarter Master General of the Army; Copies being transmitted at the same time to the Commissary General, and to the Commissariat Officer on the spot.

12. In the Field or at Field Stations in cases of emergency, the Cast Cattle will be replaced temporarily by the Commissariat Officer on the spot, under the orders of the Officer Commanding the Force; such Cattle being eventually relieved by fresh Bullocks from the Breeding Establishment, in the manner prescribed in the 10th paragraph.

13. All Cast Bullocks to be branded with the letter R. (rejected) in presence of the Officers of Survey; then delivered over to the Commissariat, and struck off the Returns of the Company or Karkanah. Such Cattle will be disposed of under the orders of the Commissary General.

14. The Monthly Returns of the Artillery Companies to which Draught Cattle are attached, when sent to Head Quarters, are required to include in additional columns, both the Drivers, and the Bullocks; separate Returns of the latter only being sent to the Commissary General, with the particulars of all Casualties, and a copy of the same to the Commissariat Officer on the spot.

15. The Bullocks shall be invariably turned out to graze daily, whenever grazing ground is procurable, and circumstances will permit.

16. Each Draught Bullock is allowed 2 seers of gram, and 14lbs. of dry forage daily in Cantonment, and 3 seers of gram and 14lbs. of dry forage in the field or marching with guns or carriages; and half a seer of common salt per month. When dry forage is not procurable, double the weight of green is to be issued to the Cattle. It will rest with the Artillery Officer in charge, to diminish the allowance of gram, whenever the health of the Cattle or the abundance of forage may render such reduction advisable.

17. The dry forage for the use of the Cattle in Cantonments will be provided at the most favorable season by the Commissariat, and at once delivered to the charge of the Artillery, 10 per cent. being added to cover wastage. Gram will also be delivered in quantity, where the Artillery have accommodation for the same, as in the Department of Cavalry supplies, the same wastage being allowed, viz. $\frac{1}{4}$ per cent. monthly. In both these cases returns of receipts and issues are required to be made to the Military Board. In the field or when marching, gram and dry forage will be furnished by the Commissariat daily, Drivers being allotted for bringing in the forage; and when green forage only is procurable whether wild or cultivated, the Drivers will necessarily cut and bring it in.

18. Each Bullock to be allowed one full sized Cumley-jhool annually; and each Company or Karkanah feeding-gunnies 100 feet long (in convenient pieces) and 18 inches broad; five soaking skins, and 35 fathoms of picketting ground-rope (coir when procurable) every four months. Pickets, head-ropes, hand-rubbers, grass-knives, and whips (one of each to each Driver), and 10 gram-baskets, to be furnished in the first instance by the Commissariat, and afterwards kept complete by the Drivers.

19. The whole of these articles to be in charge of the Establishment of Drivers. The Cumbly-jhools, feeding-gunnies, gram-baskets, pickets, picketting-ropes and hand-rubbers to be carried when marching by the Commissariat, which department will be allowed to entertain Carriage Bullocks for the purpose; for the Carriage of gram, and for foraging, not exceeding 12 for every 100 Draught Cattle.

20. Massauls and Medicines for Sick Cattle, and shoes for tender-footed Bullocks to be provided by the Artillery Officer in charge of the Cattle, to be charged for in monthly Bills; which will be paid by the Paymaster when countersigned by the Senior Officer of the Artillery on the spot, and the Officer Commanding the Force.

21. The success of this plan, especially on actual service, will in a great degree depend on a proper, mutual co-operation between the Officers of the Artillery and of the Commissariat, in maintaining the Cattle in the most efficient order and condition; and the Honorable the Governor in Council expects from them both, every exertion calculated to promote this important object.

22. It will of course rest with the Commandant of Artillery, to obtain such Returns as he may require, from the Artillery Officers in charge of Drivers and Cattle; and to give such orders, under the sanction of the Commander in Chief, as may be deemed proper, regarding the interior management of the same, whether with respect to the promotion of Drivers to the higher ranks, or for the care and complete efficiency of the whole.

23. The Officer Commanding the Army in Chief will be pleased to give such subsidiary Orders as may be necessary to give effect to these regulations.

By order of the Honorable the Governor in Council.

CHIEF SECRETARY.

FORT ST. GEORGE, 20*th December* 1825.

G. O. BY GOVERNMENT.

It having been represented to the Government that the receipts for Stoppages on account of Family Payments from Corps and Departments on Foreign Service, have been very considerably delayed in consequence of the Pay and Allowances of the Troops being frequently issued in the first instance, by advances on receipt subject to future adjustment on the delivery of regular Pay Abstracts; The Honorable the Governor in Council deems it expedient to direct, that the following course of proceeding regarding such advances, shall be observed in future, and desires that the Field and Regimental Paymasters on Foreign Service and all Staff or other Officers to whom the new Regulation may apply do pay the most particular attention to its provisions.

That all Regimental Paymasters and Staff and other Officers when authorized to draw advances of one or more months' Pay and Allowances on receipt, on account of themselves, or of Corps and Establishments shall invariably consider themselves entitled to receive the net amount only, after deduction for Family Certificates—and, in such cases the Expedition Paymasters are to pass their receipts for the amount of Family Stoppages as part payment of the advances, for the full amount of which they are to take credit in their Accounts Current, and to debit themselves with the sums received on account of Family Payments.

That in the general Abstracts for the Pay and Allowances on account of which the advances may be made, the Regimental Paymasters, or other Officers in place of making the usual deduction on account of Family Certificates at the foot, are to insert—"no stoppages made on account of Family Certificates, the amount "having already been paid to ———— as per copy of that Paymaster's receipt "on the back of this Abstract."

That as Casualties must often occur amongst the individuals on whose account the advances are made, before the sums so advanced become due to them so as to cause some small deficiencies in the Regimental Paymaster's or Staff or other Officer's Funds on the delivery of Abstracts for adjustment, those Officers, when such deficiencies arise, are to forward bills for the amount to be passed for payment by the Military Auditor General if found correct.

Adverting to the authority given to the Superintendent of Family Payments (by the 24th Paragraph of General Orders of the 22d July 1814) to deliver Bills for over-payments on Family Certificates, it is directed that such Bills shall be authenticated by him, not only with reference to the date on which Casualty Rolls reach his Office, but also to the period for which stoppages may have been made on account of the Individuals to whose Family Certificates the Rolls may apply.

By order of the Honorable the Governor in Council.
