A MAP of the COAST of COROMANDEL, from the RIVER GADEVARI, to CAPE COMORIN.

The greatest part of this Map is copied from Mr. Danville; but there are some additions, the Materials of which were not known to that excellent Geographer. These additions principally consist of

The route from Tritchinapoly to Tinevelly, ascertained by a march of the English Troops in 1755.

And the route from Néloor to Ude-gheri, and from Ude-gheri to Conjeveram; being a march made by Lieutenant Col. Caillaud in 1762.
