MARINE DEPARTMENT,

FOR THE YEAR 1874.

	Date of Proceedings.	Nos.	Pages.
	1874.		
BILLS AND ACTS.			
Act XIX. *of* 1838 (*to regulate the Registration of Coasting Vessels, &c., of British Subjects in Bombay*).—An extract from the Master Attendant's letter suggesting either the repeal of —, or the adoption of steps for confining the trade of vessels registered under it to the limits of the seaboard of that Presidency, forwarded to the Bombay Government, with the remark that this Government are disposed to concur with these suggestions	13th Mar.	28-34	65
——— Intimated by the Bombay Government that — and Act X. of 1841 are proposed for repeal by the Indian Shipping Bill	10th July.	24-24	206
Act X. *of* 1841.—(Registration of Vessels)—*Vide* Bill for the further amendment of Act I. of 1859.			
Acts XII. *of* 1870 *and* XII. *of* 1872.—(Native Passenger Ships.)—Letter from the Master Attendant, Madras, forwarded to the Government of India, with the opinion that Government agree with that officer regarding the space to be provided on board of steamers carrying passengers under these Acts	9th May.	20-22	105
——— The proposed legislation of the Travancore Government in connexion with these Acts, prohibiting the departure of Native Passenger Ships from Travancore Ports and the landing of passengers from overcrowded vessels, approved; but remarked that European British Subjects need not be excluded from its provisions. These Proceedings forwarded to the Government of India	25th July.	58-60	225
——— The rules framed by the Government of India defining the space allowed each passenger under — in coasting voyages, both during the monsoon and fair weather, furnished certain authorities for remarks...	31st July.	71-72	233

BILLS AND ACTS.—(*Continued.*)	Date of Proceedings.	Nos.	Pages.
	1874.		
Acts XII. *of* 1870 *and* XII. *of* 1872.—(Native Passenger Ships).—Copies of letters from the Chamber of Commerce and the Master Attendant, Madras, offering their remarks on the rules, furnished to the Government of India ...	12th Oct.	15-17	296
——— As the restrictions of the former Act are evaded by all Arab vessels bringing thirty passengers and no more, the Government of India requested to cause Section 25 of the Act to be amended by enacting that *every* ship, whether carrying more than thirty passengers or not, from ports in the Red Sea, shall touch at Aden and bring from that port a clean bill of health	22nd Oct.	23 27	302
Bill for the further amendment of Act I. *of* 1859 (*Merchant Seamen*).—Noticed that Section 1 of the — provides for the appointment in a Marine Court of Inquiry of a Member conversant with mercantile affairs, *two* of nautical skill, and a Magistrate; and the Government of India requested to cause a clause to be introduced into the — empowering all Magistrates to take cognizance of offences under Act X. of 1841 (relating to the registration of vessel) without the intervention of the Advocate-General	13th Mar.	28-33	65
——— Copy of the — furnished certain authorities for any observation they may have to make thereon...	31st July.	60A-B	232
——— Letter from the Master Attendant, Madras, and Chamber of Commerce, on the — transmitted, with an expression of the views of Government	23rd Oct.	39-41	317
Bill to consolidate and amend the law relating to Ports and Port Dues.—Copies of the — with the Statement of Objects and Reasons, forwarded to several officers for opinion. The Bill, &c., to be published in the *Fort St. George Gazette*. Observed that this Bill will supersede the Madras Port Bill which the Advocate-General obtained leave to introduce into the local Legislature. Certain omissions and errors noted on a cursory examination of the Bill	13th May.	35-36 37	119 120
——— Letter from the Master Attendant, Madras, containing his observations on the —, forwarded to the Government of India	23rd June.	48-49	181
Bill to provide Trustees for the Port of Madras.—Letter from the Master Attendant pointing out the objections to the introduction of this Act in Madras with the Advocate-General's opinion thereon, communicated to the Legislative Department	7th Mar.	21-23	61
Discharging European firemen at British Indian Ports.—With reference to the call by the Government of India for the opinion of this Government on their proposed Act to make it penal on Shipmasters —, a letter from the Master Attendant suggesting that in such cases the Commanders should be bound to provide the discharged firemen or seamen with other employment or bear the expenses of sending them home, and that no Captain should make a discharge without the permission of a Shipping Master, or where there is none, the Conservator of the port; forwarded to the Government of India with an expression of the concurrence of this Government in these views	9th Feb.	9-12	24

	Date of Proceedings.	Nos.	Pages.
	1874.		
BILLS AND ACTS.—(*Continued.*)			
Discharging European firemen at British Indian Ports.—Intimated by the Government of India that the papers connected with this subject have been transferred, for disposal, from the Marine Department to the Department of Agriculture, Revenue, and Commerce; and requested that all future correspondence on this subject may be addressed to the Secretary of that Department...	12th June.	26-27	165
Mercantile Marine Law.—Letter from the Government of India and the papers received with it, referred to certain authorities for any remarks or suggestions they may desire to offer on the various points connected with the —, which must to be taken up separately from the General Merchant Shipping Bill	24th Aug.	25-26	247
Merchant Shipping Act of 1854.—When vessels possessing certificates of the Board of Trade under the Merchant Shipping Act of 1873, carry coolies and pilgrims from India, the authorities concerned directed to ascertain that they are then provided with the additional boat capacity required under the Act of 1854	14th Aug.	13-14	215
Merchant Shipping Act of 1873.—The Master Attendant's proposed distribution of the 100 copies received by him of the Board of Trade's Circular of Instructions and Placard relating to signals of distress and for pilots, issued in connexion with the —, approved	21st Jan.	18-20	9
——— Copies of the Notices to Masters relating to signals of distress and for pilots, received from the Government of India, forwarded to the Master Attendant. The Notice of "Signals for Pilots" to be published in the *Fort St. George Gazette*, that of "Signals of Distress" having already been published	23rd Feb.	33-34	45
LIGHT-HOUSES.			
Cocanada.—Proceedings, Public Works Department, on a memorandum by Colonel Fraser on the subject of lighting the approach to this port	13th Mar.	15-16	Mis.
——— Intimated by the Government of India that they did not undertake to defray the whole cost of the proposed screw pile Light-house for Cocanada, but simply promised a grant towards the work should funds be available, which not being the case, no grant can be made in 1874-75, though possibly if application be made in December next, the Supreme Government may then be able to say whether or not the funds can be supplied during the current year or promised for the year following. Moreover, observed that, as the construction depended mainly on the assistance to be obtained from Imperial Funds, this Government should not have asked the Secretary of State to incur expenses without consulting the Government of India	22nd June.	44-45	179

	Date of Proceedings.	Nos.	Pages.
	1874.		
LIGHT-HOUSES.—(*Continued.*)			
Cocanada.—Proceedings of the Public Works Department, embodying a despatch from the Secretary of State, intimating the arrangements made with Mr. Wells and Messrs Chance Brothers for lighting the approach to the port of —, and requesting that funds may be allotted to meet preliminary expenses, forwarded to the Master Attendant, Madras, to state whether the amount required can be made available from Port Funds	12th Aug.	12A-C	244
——— The amount provided from the source indicated by the Master Attendant	24th Aug.	29-30	254
——— A further sum sanctioned for the preliminary boring operations. The Accountant-General to report whether there is any objection to the value of stores obtained by the Marine Department being debited to "Imperial Revenues"	25th Sept.	31-32	284
——— The Accountant-General reporting that, without the express orders of the Government of India, the debit of the stores, even though temporary, cannot be introduced into his accounts, the charge to be debited against Port Funds	16th Oct.	31-32	306
——— Report by Mr. Cheesewright (Mr. Well's Agent) on the result of his boring operations, communicated to the Master Attendant; and inquired of the Public Works Department why no action was taken by the District Engineer on the orders issued by that Department until the expiration of a month, and why no assistance was given this gentleman	22nd Oct.	37-38	315
——— The memorandum of expenses incurred transferred to the Public Works Department, and the proposed arrangement for handing over the balance of stores to that department, approved	31st Oct.	47-48	321
Calicut.—Estimate for painting and repairing, and for annual repairs to the Light-house, sanctioned	21st July.	47-49	220
Kistna.—Proceedings, Public Works Department, allotting funds for repairs to the Divy Light-house in this district	26th Mar. 13th May.	36-37 33-34	Mis. Mis.
Lights at the extreme south of the Indian Peninsula.—Sanction of the Government of India requested for the cost of the lanterns indented for for the new — at Cape Comorin and Muttum Point being charged to Imperial Revenues, for the reasons that the Provincial Assignment is inadequate to meet such an extraordinary charge, and the Port Funds also are unable to bear it. Also remarked that the charges for "new Light-houses" and "new lanterns" cannot be met from the Provincial Assignment, which was based on the reduced estimates of expenditure for 1870-71	2nd Mar.	1-3	51
——— Sanction accorded by the Government of India for the cost being added to the Provincial Assignment for 1873-74	24th Apr.	26-27	86
