MINT COMMITTEE—cont.			
<i>From the—</i> . Transmitting copy of a letter from the Mint Master together with copy of one from his assayer with Original accounts. The mint master's Assayer states that the expense of alterations in the Laminating Room cost only Rupees 67-1-7 being below the original estimate in Rupees 62-14-5 and requests sanction for the same—also reports that the cost of removing the sulphuric acid room to the outside of the mint, has fallen short of the estimate by Rupees 76-2-11 & suggests, for reasons assigned, the execution of certain works which were estimated at Rupees 120 & 100. The committee recommend that sanction be given for the work executed and that an advance of Rupees 140 may be ordered to be made to the Mint Master's Assayer for the completion of the works proposed.	4 th . <i>To the Honorable the Governor in Council at—</i> . Stating that as all the Honorable Company China ships had sailed from Madras previously to the receipt of their secretary's letter of the 23 ^d . July last, this Government had availed itself of the return of His Majesty's Pandora to Penang and consigned three lacs of Rupees to Fort Cornwallis by that ship. The Supreme Government having placed the ship Ernaad at the disposal of this Presidency during the open months of the year for the purpose of conveying Troops and stores to the company's settlements to the Eastward; and having intimated that during the Monsoon Months that vessel being made available for the purposes of the Penang Government it was thought that the expense of the company's Frigate Hastings might probably be dispensed with, and that it would be expedient to send that ship at once to Bengal.
