COUNCILLORS.			
Minute by the Hon'ble Daniel Eliott, Esq.—Would wish to see the orders forbidding Government aid in the erection of churches and the papers respecting the Government contribution to the Palghat Church. Thinks a reference to the Government of India will be necessary. *Vide* Secretary to Government, No. 22.	19th „ 1850.	4th Mar., 21.	26th June, No. 2 of 1851, paras. 7 to 10 and 14.
Do.—States that it appears to him that the Despatch of the Court of Directors (No. 9 of 1847) rather countenances the erection of Churches, partly by private subscriptions and partly by contributions from Government; and that, it is the connection of Government with Missionary Societies in a joint ownership of places of worship that seems to be objected to. *Vide* Secretary to Government, No. 24.	19th „ 1850.	4th Mar., 23.	Do.
Do.—Considers the Court's despatch to be favourable to the present case.	20th Jan.	4th Mar., 26.	Do.
Minute by the Hon'ble J. F. Thomas, Esq.—Concurs in the view of the Hon'ble Mr. Eliott. *Vide* President, No. 28.	20th „	4th Mar., 27.	
Minute by the Hon'ble D. Eliott, Esq.—States that the primary application is for a grant to assist in the erection of a Church at Mercara and that a second, and as it appears to him, *independent* application is made for transferring the Chaplain to Mercara. *Vide* Commander-in-Chief, No. 30.	5th Feb.	4th Mar., 29.	Do.
Minute by the Hon'ble J. F. Thomas, Esq.—Still thinks it to be a case within the Court's orders, as it is clear that the service cannot be properly performed at Mercara without a Church and would therefore sanction the Government contribution. *Vide* President, No. 32.	6th „	4th Mar., 31.	Do.
Minute by the Hon'ble D. Eliott, Esq.—Has nothing to add to his former notes on the several points adverted to by the Honourable the President.	11th „	4th Mar., 33.	Do.

Resolution	4th Mar.	35.	Do.
Do.—Strongly recommends the grant in aid of the erection of an outstation Church at Mercara; considers the Honourable Court's orders applicable to the case, and virtually sanctioning the grant, and a deviation from them scarcely just to those who have contributed their private funds upon the faith of Government assistance.	10th June.	24th June, 3.	
Vide President No. 4.			
Minute by the Hon'ble D. Eliott, Esq.—Is in favour of complying with the application for aid to the extent of Rs. 1,200, and is not aware of any opinions expressed by the Hon'ble Court militating against such a grant. Agrees with His Excellency the Commander-in-chief that the clock should be exempted from duty.	29th July	5th Aug., 26.	11th Nov. No. 5 of 1851.
Resolution	—	27.	
Minute by the Hon'ble J. F. Thomas, Esq.—Thinks that the grant of Rs. 2,000 requested by the Church Committee at Mercara for the erection of a Church at that station, might be conceded, on the proviso, that if the Honourable Court see fit to refuse it, the Committee will undertake to replace the sum in the Treasury.	27th Nov.	9th Dec., 16.	9th Dec, No. 10 of 1851.
Vide President No. 17.			Do.
Minute by the Hon'ble D. Eliott, Esq.—As the reference to the Honourable Court regarding the erection of a Church at Mercara was made in a general letter, thinks that the present application ought to be submitted in a separate despatch pointing out the reason for its early disposal, thinks also that the Military Board's report expressing their inability to erect a Church for Rs. 2,000 is an additional reason for Government uniting with private subscribers for that purpose.	4th Dec.	9th Dec., 18.

PRESIDENT.		1851.	
Minute by the —. In compliance with the wishes of the Lord Bishop, appoints the Revd A. Kinloch, A.B., to be Officiating Chaplain at Quilon, and directs the Revd. H. Deane to resume his duties as Chaplain at Cannanore.	4th Feb.,	4th Feb. 5.	
Do.—Thinks that the application for aid in the erection of a Church at Mercara, and for permission to remove the Chaplaincy from Mangalore to that station should not be complied with, without a previous reference to the Honourable Court, the one being distinctly forbidden by the Home authorities, and the other a mere convenience to the Chaplain, considers the use of the expression "Heathen" in Mr. Posnett's letter, improper and unnecessary. *Vide* Councillors, No. 21.	19th Dec. 1850.	4th Mar., 20.	26th June, No. 2 of 1851, paras. 7 to 10 & 14.
Do—Adheres to the view he took on the Bishop's letter. Mangalore is a place of more importance than Mercara and does not think that the Honourable Court intend any partnership. *Vide* Councillors, No. 26	20th Jan.	4th Mar., 25. 26.	Do.
Do.—Does not consider the Court's remark quoted by the Hon'ble Mr. Eliott at all applicable to the question, observes that it is proposed to make Mercara, a principal Chaplain's station, to abandon Mangalore, and to erect a Church to suit these arrangements. *Vide* Councillors, No. 29	3rd Feb. —	4th Mar., 28. 29.	Do.
Minute by the Right Honourable the—. Thinks it is well to embody the remarks he made before upon the question for building a Church at Mercara, and for the transfer of the Chaplain of Mangalore to that station in the form of a minute. Understands the Home authorities to have forbidden that Government should take any share in erecting places of worship unless they are intended to be wholly public property, and considers the prohibition a proper one. Looks upon Mangalore to be a much more important station than Mercara, and therefore more fitted for a Chaplain's station and does not approve of any change in that respect being made to suit (as he conceives it to be) the personal convenience of the Chaplain. Proposes that both points be referred to the Honourable Court; and that the duties go on as they have hitherto done until the receipt of their commands. *Vide* Councillors, No. 33	10th Feb.	4th Mar., 32. Minute by the Right Honourable the —. Observes that the request for aid in the erection of a Church at Mercara was based on an application of the Chaplain of Mangalore to the Lord Bishop, and is of opinion that a compliance with it would be building an	14th June	24th June. 4.

Thinks there is no precedent or sufficient reason for the arrangement and that a small church or building, exclusively public property, such as has been already sanctioned, is all that is required. Is of opinion that nothing is more easy than to return the subscription to those who have paid them.			
Resolution	24th June	24th June, 5.	
Minute by the Right Honourable the —. Is of opinion that Government ought not to burthen themselves with a building already reported to the Honourable Court as incapable of being put into decent repair.
