3667 — To the — Stating that the Services of three Officers of the Madras Engineers were under date the 17th Ultimo made available for duty in Burmah in obedience to the requisition contained in the letter from the Government of India of the 23d April and bringing to the special notice of the Most Noble the Governor General in Council the present state of the corps of Engineers at this Presidency and the very serious inconvenience to the Public Service which attends the withdrawal of so many Officers from their Civil duties within the Madras Territories under the circumstances represented trusting it to be supported by the Government of India in pressing on the Home authorities the great urgency of a speedy increase to the Madras corps of Engineers. observing that the necessity of augmenting the means of this Government for carrying on the Public Works is amply discussed in the Report of the commissioners on Public Works and without concurring entirely in the recommendations in that report observing that Govt. must refer to it as distinctly proving the

1853

the exigency for greatly increased strength in this Department. Meanwhile expressing hope that it may be in the power of the Government of India to place at the disposal of this Government the services of 1st Lieuts Anderson and Hill at present employed in the Punjaub. Presuming that the late demand for Officers of experience has been made on the ground of the necessity of constructing defensive Military works which require a considerable degree of professional skill trusting that when the present emergency has passed the Officers will not be detained for merely Civil works but will be permitted to return to the duties from which they have now been withdrawn. — 2 June 1853 — 10 June 1853 — 18 July 1853 No. 9 — No. 43 Pl.
