19th December. Minute by the Honorable H. Chamier Esqr.

Sees no occasion for a reference to the Government of India for instructions as to the mode of carrying on the Ecclesiastical Business of the Madras Presidency during the Bishop's absence, before the Bishop has been consulted, and it has been ascertained that there is some difficulty which cannot be overcome without the aid of the Supreme Government.

Vide President 19th 7.

19th December. Minute by the Honorable H. Chamier Esqr.

Considers that the Bishop's Complaint against Archdeacon Harper, as one of the Honorable Company's Chaplains and the explanation of the latter, should not be forwarded to the Honorable Court without any observation from the Government, and states that the disposition to dispute the authority of the Bishop manifested by the Archdeacon in the papers before Government, is exceedingly reprehensible, and under circumstances stated, is of opinion that Government should enforce obedience from Mr. Harper as a Company's Chaplain to the Local Head

4th November Minute by the ——— Lays before the Government a further communication from the Lord Bishop, and, with reference thereto, observes, for the information of the Honorable Court, that his Lordship has misapprehended the proceedings of Government, in Gazetting the appointment to Secundrabad of a Chaplain recently arrived from England, without awaiting the Bishop's reply to a reference on the subject, having apparently overlooked the peculiar circumstances in which the Ecclesiastical affairs of this Presidency are unavoidably placed by his Lordship's absence.

Think it advisable as a guide for the future, that a reference be made to the Government of India as to the course pursued in Bengal in appointing and Gazetting Bengal Chaplains on their first arrival from England, at the periods when the Lord Bishop of that Diocese had been absent at Sea ——— Diary to 17th November 1846 No. 12 — 24th November No. 10 of 1846 Paras 4 & 5 — 1196 — Sec. 	Presidency on his collation to the Archdea= conry as proposed by the Lord Bishop. Mr Shortland might be appointed to the cathe= dral as a Supernumerary chaplain, but this would reduce the number of Chaplains available for provincial stations. In the event of a Vacancy at the Cathedral does not think it right to set aside the just claims of others, and to attach the higher allowances of the Senior or Junior Presi= dency Chaplain to the Archdeaconry with= out regard to the claims of Seniors.			
	Should the Government object to Mr Shortland's appointment as a Super= numerary chaplain at the Cathedral, he and the Bishop might be informed that the Government regret they are precluded from meeting their views ———		Diary to 1st December 1846 No. 6	1238
