Dol.

Mez:

Hail love - ly Peace! thy blefs'd re - turn In - spires each breast with

grate - ful joy; Our hearts with gentle tran - - sports burn, Our

hearts with gentle trans - ports burn That each do - mes - - tic

care de - - stroy That each do - mes - tic care de - stroy

care de - - stroy That each do - mes - tic care de - stroy

2

3

The frowning reign of War subdued,
Loud exultation shouts around;
And valleys late with carnage strew'd,
Now smile, with golden plenty crown'd.

Our land is bless'd; our Sovereign lives!
And all the train of discord flies;
To him who ev'ry blessing gives,
Our loud and fervent praises rise.

For the Guittar or Ger: Flute

Hail love - ly Peace thy bless'd re - - turn In - spires each Breast with grate - ful
joy Our hearts with gen - tle trans - - ports burn Our hearts with gentle
trans - ports burn That each do - mes - tic care de - - stroy That each do - mes - tic
care de - - stroy

The Piano part is in a good Key for the Flute
