As Government has already been informed, the time for putting in a list of papers to be printed for Government as respondent in the Peranai Dam suit has been extended by the High Court until the 30th of November in consequence of my absence on ~~leave~~ <sup>leave</sup>. As all our copies of the exhibits which are very voluminous are in the custody of the Government Pleader at Madura and he will necessarily be engaged in the appeal, I have the honour to request that he may be instructed to draw up a preliminary list of such papers which could then be submitted to me with the copies of the exhibits for revision and approval. This I gather is the course suggested by the Government Pleader (See Board's Proceedings No. 2415 Confidential 148 dated 9th July 1904, Land Revenue quoted in G.O. Miscellaneous No. 1200, Revenue ~~etc~~ dated 11th July 1904). I gather that the Government Pleader will ere now have returned from leave. If not, I would suggest that Mr. Aiyasami the local ~~vakil~~ vakil employed to assist us should be requested to come to Madras with the copies of the Exhibits to assist in drawing up the list here. I have no copy of the grounds of appeal.
