I have the honour to forward herewith, for your approval and sanction of Government, an estimate amounting to Rs. 35 for providing chicks to the section officer's quarters at Andipatti in the Madura taluk.

2. The necessity for the work is explained in the report attached to the estimate.

ENCLOSURE.

Report to accompany the estimate for providing chicks to the Overseer's quarters at Andipatti, Madura taluk.

The exposed windows were not provided with screens when the quarters were constructed. During the day time, as the windows are exposed to the sun it was found by experience that the rooms become unfit for occupation, and screens are absolutely necessary. This estimate is therefore prepared for providing necessary chicks to the windows that are exposed.

The estimate is submitted for sanction of Government with reference to the Superintending Engineer's No. 5424, dated 15th August 1912.

Early sanction to the estimate is solicited, as the work has already been completed.

12th September 1912.
