Sir,

Morphia Plant - Persia - establishment in.

I am directed to say that a Plant for the manufacture of morphia has been established at Shiraz by Haji Mohammad Hasan Namazi. The Plant is capable, if efficiently used, of producing 400 lbs. of morphia a year and can be extended to provide for a greater output in capable hands. As it is likely that morphia will now be smuggled from Persia the Government of India have thought it desirable to bring the matter to the notice of the Government of Madras etc.
