To

Elliot Macnaghten Esq^r.

My dear Sir

After the trouble you have so kindly taken at my instance to inspect the extensive dilapidations on the premises at Monzah belonging to the Estates of Alex^r Ferguson & Co and Alex^r Alexander & Co previous to my submitting to you for the consideration of the Assignees of both Houses, an offer to purchase or to rent the whole for a period of five years on a Repairing lease; I feel confident that you will not consider my offer in either case to be under the present actual value of the property.

I have therefore to state with a view to a purchase what I consider to be the utmost value of the premises in their present ruinous condition and at which I am disposed to purchase them viz 30,000 Rupees taking into account an outlay for absolutely necessary repairs of not less than from 5000 to 20,000 Rupees before any benefit can be derived from the Godowns — And in reference to my second proposal for Renting the premises on what is termed a building or Repairing Lease I submit that an annual rent of 3000 equal to 10 per Cent per an on the present actual value of the property would be a fair and equitable rent considering [illegible] that at the end of the Lease [illegible] repairs and improvements [illegible] the value of such [illegible] Lease I shall feel [illegible] your earliest [illegible] saving al- [illegible] fully [illegible]

To
Elliot Macnaghten Esq^r
&c &c &c

My dear Sir

From the extravagant valuation placed by the Assignees of Mess^rs Alexander & Co^s on their half of the Screws and premises at Howrah, it is very evident they can have no intention to sell — I therefore beg to withdraw my Letter to you respecting the purchase, and to substitute the following proposition viz to Rent the premises with the exception of that portion of them now held on lease by Mr. Ampere and Mess^rs Cockerell & Co^s on what is called a building or repairing Lease for a period of five years, at the annual Rent of Sic. 3000. — You are fully aware from what you have seen of this property that it is at present in a state of total ruin, requiring very large outlays to make the premises useful for any purpose, and from which the Estates of Mess^rs Ferguson & Co^s and Mess^rs Alexanders & Co^s will ultimately benefit at the end of the Lease, I therefore hope you will decide at once accede on accepting my present offer. —

I remain
My dear Sir
Yours faithfully

Under this arrangement should it not suit you at any time unfortunately render the employment of an extra person, as a substitute for you necessary, the expence so incurred must we think be borne out of your share of the Profits, but we have not given this point our full consideration and indeed upon the whole of the contents of the present shall be glad of your sentiments and opinions with a view of so placing the matter as to render all further arrangement needless — Or if you will take the trouble to draw up any form of agreement yourself for us to sign we have no doubt we shall approve of the same without qualification
