THE LEADER'S APPEAL

In response to the suggestions of Partymen, the Directors of the "Justice" newspaper have decided to convert Rs. 100 shares into Rs. 10 shares, so that it may enable most of our Partymen, who have not already taken shares, to become shareholders of the Party's paper.

It is needless on my part to point out the useful and invaluable service that "Justice" has been doing all these years to the Party and the general public, nor is it necessary for me to stress at any length the desirability of Partymen supporting the paper and becoming shareholders. They all know that owing to the fact that "Justice" is a party paper, it has not been financially successful. The future of the paper depends, in an increasing measure, on the support of Partymen and sympathisers and well-wishers of the Party. The Directors feel that the continuance of the paper as an efficient and up to-date daily requires at least
